GC Council Turns Down Apartment Project

Pay Boosts Approved;
\$12,000 Mayor Salary,
\$9080 for Treasurer

Rejected Monday night by Granite City council members was a recommendation by the City Planning Commission for zoning changes to permit a \$1,250,000 apartment-shopping center development on a tract at Wabash avenue and Pontoon road.

The 12-to-1 vote was taken shortly before the 10:58 p.m. adjournment and followed objections by Eighth Ward Alderman Thompson and several persons in a delegation of about 20 property owners living adjacent to the proposed development.

In other action, the council increased the pay and expense allowance for Mayor-Elect Partney to \$12,000 a year from the present \$11,400 and the pay for Treasurer-Elect E. R. Rich to \$4080 from \$3600. The city treasurer receives an additional \$5000 as tax collector.

Farewell Session
Monday's meeting marked the final full-scale council session for Mayor Davis, City Clerk Stevens and Aldermen Beardsley and Peterson. Next Monday, Mayor-Elect Partney, Clerk Homer Maestas.

"CSI" Pendleton and new aldermen Roy Paulsen of the Third Ward, Richard Fry and Gerald D. Parment of the Sixth Ward and R. E. Robertson of the Seventh Ward will be inaugurated.

Objectors to the apartment development, which was being planned by Robert Swiatek, were attending their second council session in two weeks. The council last week had overruled the notice from the City Planning Commission recommending the zoning changes.

The spokesmen for the objectors were John Frazier, 2100 Amos avenue, and Walter Volz, 2117 Pontoon road, who said the residents had bought homes in the area because it was zoned R-1 in the top residential bracket. It was noted that it was still employed by the bridge, or immediate area is a barrier zone, a nursery, a closed super-market, a real estate office and being distributing station.

Same Names on 2 Petitions
Alderman and City Mayor-Elect Partney, who is chairman of the council's Planning and Zoning committee, moved to table a petition both for and against the development and for the same names on both petitions. His suggestion was accepted that the individuals be heard by the council before reaching a decision.

Alderman Thompson spoke first and moved to table the petition that a two-thirds vote by the council would be needed if 20% of adjacent property owners opposed the change.

He displayed a chart which showed that property owners owning the development area were opposed to it.

The proposed zoning changes were to C-1 for a service-type shopping center and R-5 multiple family units for the five, two-story colonial-style apartment house. Parking for 15 cars per unit also was to have been provided, and Swiatek also was reversing 35 feet for the widening.

(Continued on page 19, col. 8)

BIRTHS

Births recorded at St. Elizabeth Hospital.

GIRLS

Mr. and Mrs. David Mason, 2240 Cleveland blvd., April 27, Sarah Eave, seven pounds, 11 ounces.

Mr. and Mrs. Carl McDonald, 2511 State street, April 28, seven pounds, one and one-half ounces.

Mr. and Mrs. Bertram Schuch, 225 State street, April 28, Susan Jeanette, six pounds.

Mr. and Mrs. Raymond Loftus, 137 Briarcliff, April 28, Michelle Ann, six pounds, 10 ounces.

BOYS

Mr. and Mrs. David Webb sr., 2837 Forest avenue, April 27, Darrell Craig, seven pounds, 15 ounces.

Mr. and Mrs. Michael Fichter, 3213 Wayne avenue, April 28, Michael Kevin, seven pounds, three ounces.

2 New Patrolmen Appointed To Granite City Police Dept.

TWO NEW PATROLMEN appointed to the Granite City police department will go on duty this weekend. They are Leonard F. Svoboda (left) and Erwin Kuehnhoff.

The city council this week approved the appointment of two new probationary patrolmen to the Granite City police department.

They are Leonard F. Svoboda, 25 of 2521 Sherman avenue, and Erwin Kuehnhoff, 33 of 1811 Spruce street. The appointments increased the size of the police force to 41 officers. Leonard Svoboda will begin his duties on Saturday and Kuehnhoff on Sunday.

Burns Alleges He Received Offer to Drop From Race
A "generous offer" was made me if I would withdraw from the race, Robert L. Burns, 25 of 2521 Sherman avenue, alleged Madison mayor candidate, charged today in a statement. Next Monday, Mayor-Elect Partney, Clerk Homer Maestas.

"CSI" Pendleton and new aldermen Roy Paulsen of the Third Ward, Richard Fry and Gerald D. Parment of the Sixth Ward and R. E. Robertson of the Seventh Ward will be inaugurated.

Objectors to the apartment development, which was being planned by Robert Swiatek, were attending their second council session in two weeks. The council last week had overruled the notice from the City Planning Commission recommending the zoning changes.

GC's Claim to Fame—'The City of Stopps'

(First of a Series)

Other cities are noted for being a mile high or for brotherly love, but Granite City's reputation is a lot of stop signs.

The City of Stopps.

An unofficial tally shows there are about 900 stop or yield signs on the city's 30 miles of streets.

This means a motorist can average 10 stops for every mile he travels—the exceptions being the main thoroughfares such as Madison avenue.

The creeping invasion of stop signs has been overcoming motorists for the past few years, and it is a rare council session when at least one new stop sign is proposed.

2 More This Week

This week at Monday night's meeting of the aldermen, two new stop locations were designated on 21st street at Lee avenue and on Kate street at Lincoln avenue.

Three years ago the council became interested in the proper procedure for placing stop signs at intersections where traffic points showed they were necessary as a safety control.

Last year a few months, and the aldermen went back to their old way of putting up stop signs where one or two constituents requested them to slow traffic in front of their homes.

STOP TWICE HERE—One stop sign didn't seem to be enough at 15th street and Grand avenue for the detour off Madison avenue.

Bi-State Adopts New Bus Fare Plan

50-cent Daily Ticket
Also Initiated for
Trial in Quad-Cities

A new fare plan for the Bi-State Transit system which will raise bus fares to 30 cents from 25 cents throughout the entire system was approved Wednesday by the Bi-State Development Agency with three minor modifications to the original plan.

The new schedule will become effective about June 1.

Members of the Bi-State commission board gave unanimous approval to the schedule, which was recommended by the commission's consulting engineers following an intensive study of the transit system's financial condition, after Col. R. E. Smyser, executive director, reported that only minor opposition to the plan had been voiced in a series of six public meetings held on the west and east sides of the river.

The three modifications provided for elimination of north and south boundaries in bus zones outside of the central area; a 90-day trial of a 50-cent daily bus ticket, good on all buses throughout the day of purchase without need of transfers; in the East St. Louis area, an extension of a 90-day trial of a similar 50-cent ticket for the Granite City area extending from the river to the Mitchell.

To Wipe Out Deficit
The fare schedule is designed to produce enough additional revenue to wipe out most of the deficit. The deficit of \$1,362,000 in operation of the system this year. Most of the deficit was caused by the five-cent hike in adult cash fares, but other additional revenue will come from sale of a new bus and bus seat service buses without any additional payment, except in suburban areas where the 50-cent per zone change would continue as at present.

Other changes include elimination of the five-cent transfer charge and bridge toll; removal of the river "barrier" by merger of the Illinois and Missouri sides of the river into a single basic-fare area with unlimited free transfers, and reduction of the fare for express service from the present 10 cents to five cents with the result that transfers will remain unchanged, including the five-cent zone charges and zone structure, present student and child fares, and the 25-cent basic cash fare, and express service in the suburban area would be continued.

Col. Smyser reported that of the 100,000 riders of the system, 50,000 are commuters. The fare schedule is designed to produce enough additional revenue to wipe out most of the deficit. LAST OF THE TROLLEY RAILS being removed this week from Madison avenue in the 1400 and 1500 blocks under a motor fuel tax project. The tracks once extended the full length of Madison avenue through Granite City and Madison and on Broadway in Venice.

Boy, 4, Injured Critically When Struck by Auto

Kevin Romine, four, son of Mr. and Mrs. Lloyd Romine, 2121 Mantley avenue, was reported to be in critical condition today at St. Elizabeth Hospital after being struck by a car driven by Anthony Gregus, 17. Rural Route One, at 7:55 p.m. Wednesday at 2122 Amos avenue.

X-rays were taken of the boy's spine, chest and abdomen. Witnesses said the boy ran into the street after a rock which had been thrown at an auto in front of the one driven by Gregus. Police measured 84 feet of skid marks on the pavement, and Gregus was charged with driving too fast for conditions.

Driver Injured
Kenneth B. Shelton, 23, of 3316 Terrace lane, was admitted last night to St. Elizabeth Hospital after he auto struck the rear of a parked auto belonging to Leroy Laws, 2635 Edison avenue, and parked at the curb at that address. The crash occurred at 11:40 p.m. Wednesday.

Shelton was treated for a large cut on his forehead which required 20 sutures. Police were unable to question the driver because of injuries. Both autos were damaged.

Three Car Accident
Anthony Mangiaracina, 58, of 1310 Robert street, Venice, complained of pains after a three-car accident at 7:10 p.m. Monday at 2810 Madison avenue.

His car struck the left rear of one driven by Frederick J. Phillips Jr., YMCA, who was stopped in the northbound traffic lane while preparing to park at the curb. While pulling into the left lane to avoid the accident, Mangiaracina's car struck in the rear by the third car driven by Willis J. Stover, 2118 N. Main street. All three autos were damaged.

Sherman Epperson, 56, of 1414 Wabash, was transferred to St. Louis, after he was involved in an automobile accident yesterday and given emergency treatment at St. Elizabeth Hospital. The cause of the accident was available.

Col. Smyser reported that of the 100,000 riders of the system, 50,000 are commuters. The fare schedule is designed to produce enough additional revenue to wipe out most of the deficit. Gasoline Tax Opposed

Quad-City Service Station Operators voted last night to provide addressed blank postcards for local residents wishing to write to Sen. Simon to oppose Gov. Kerner's proposed three-cent gasoline tax hike.

Operators may obtain the cards from the Postcard Campaign. There is a 40-cent federal tax and the proposal would change the state tax from five to eight cents.

City Action Clears Way For Nameoki Rd. Condemnation

Passage by the Granite City council Monday night of a resolution requesting the Illinois Highway department to exercise its "quick-take" authority in condemnation cases for the Nameoki road improvement project cleared the way for instituting proceedings as soon as a condemnation report is prepared by the city.

Venice Man Loses \$3080 in Swindle
Venice police are seeking two men who used a variation of the pigeon drop confidence game Tuesday to swindle an elderly Venice man of \$3080. The victim was identified as Steve Heams, 233 Short street, who received three 10-cent packets of postal tickets in return for his \$3080.

According to police, one of the men approached Heams about 11:30 a.m. Tuesday in the yard of his home and asked the direction to a certain address, which Heams could not give. A second man approached them, offering to pay \$25 to anyone who could tell him how to find the address.

Following a conversation, Heams accompanied the two men in their car to the Tri-City Grocery parking lot where the two men played cards, with one of them losing \$1000 to the other. The two men then bet Heams \$500 each that he could not draw \$3000 out of the bank. They then took Heams to the First National Bank in Madison, where Heams, accompanied by one of the men, withdrew the \$3000.

Upon his return to the car the second man, in the rear seat, was holding a roll of money, supposed to be the \$3000 he had drawn. Heams was to win if he could produce \$3000. The men told Heams to give him the \$3000 and that he would place it with the firm Desloge Hospital, St. Louis, after he was involved in an automobile accident yesterday and given emergency treatment at St. Elizabeth Hospital. The cause of the accident was available.

Heams placed in his sweater. A short time later the men left Heams out of the car at Fourth street and Lincoln avenue in Venice and Heams walked to the bank to deposit the money. When he unwrapped the bundle, he found it contained the three small packages of tissue.

Downtown Site to be Developed As Park

School Board Releases
Tract; New Posts for
Davis, Kraus, Holder

The Granite City school board last night voted to return the former downtown post office to the federal government, and the park board simultaneously agreed to acquire it for the creation of a scenic park.

Funds being raised by a citizens committee will meet the \$23,500 purchase price, plus cost of removing the building, estimated at \$8000. The park district then plans to develop and maintain a park on the triangular site bounded by 20th street and Niedringhaus and Delmar avenues.

The school board voted 6-0, with one member absent, to voluntarily "revert" the property to the U. S. Department of Heavy Education, which will turn it over to the U. S. General Services Administration. The park district application for acquisition of the property under federal regulations, the building is available for use as classrooms but at 50% of the \$47,000 appraisal for park purchasing tracks of land still needed for the park.

The school board concluded that the busy location would be a poor place for a school and that remodeling for either classroom or office use would be too costly. Since the property was acquired, a bond issue has been passed for construction of new classroom space elsewhere.

Davis to Assist Johnson
In other business last night, the school board promoted Bob J. Davis, principal of Central High School, to administrative assistant to Superintendent J. B. Johnson.

He was placed at the same level as the administrative assistant to personnel, and his main duties will relate to the rapidly growing school programs aided by state and federal taxes.

Replacing him as Central principal will be Frank Kraus, currently a Coolidge junior high school assistant principal. Coolidge assistant principal is Brooks Holder, a Granite City high school guidance counselor and former junior high teacher.

Recommended by Supt. Johnson, the staff changes were approved by a 6-1 vote. Dan Lindell voting "no" and Ronald Dillard voting favorably after saying he was not fully convinced of an individual's rejection of the superintendent's recommendation.

Dues of the new position and other staff posts were the principal lines of discussion. Dr. E. W. Walton, board secretary, described the discussion as a "fillibuster."

Qualifications Praised
Before calling for a vote, Supt. Johnson stated that the discussion should be continued until all members had been given an opportunity to obtain answers to all questions. The questions halted after one drew a detailed response from Johnson and Davis, whom he termed "outstanding" in performance, knowledge, experience, philosophy, ability and faculty relationships.

The superintendent said Davis will hold rank similar to that of the superintendent's recommendation.

Youth Working Out Fine on Muffer, License Charges
Larry D. McIntosh, 17, of 309 Kirkpatrick Homes, was sentenced to work 10 days for the city, beginning today, by Magistrate Edwin Hancock.

He was arrested at 1:40 p.m. Wednesday on charges of improper display of state license plates and improper muffer.

GC Tax Collections Soon—Books Ready

Granite City taxpayers will pay a total bill of \$6,347,179 in 1964 taxes, to be collected this year, it was announced Wednesday by Miss Eulalia Hotz

New Signs Solve Highway Traffic Routing Problem

Highway routing problems in the Quad-City area were solved yesterday with erection of signs near Troy and Hanel informing Highway 40 and 66 travelers how to bypass St. Louis by taking Interstate Route 270.

"Trailblazer" signs also being installed by the Illinois highway division will follow Route 159 (formerly Bypass 40) to where it connects with Interstate 270, and Route 157 (formerly Bypass 46) to a similar connecting point with the interstate highway. Each will read "To 270" and show the red, white and blue interstate emblem.

Unexpected elimination of the bypasses had confused through travelers and resulted in most cases in them driving through congested St. Louis streets.

The shortest route to Highway 40 in Missouri is through Mitchell.

Many Mitchell motorists are handling tourist trade here reported sharp declines in business in recent weeks.

Arrangements for the signs were made by Francis Lorenz, director of the State Department of Public Works and Buildings, and State Rep. Lloyd C. Harris (D-Quad City).

A conference was held in Springfield Tuesday by Rep. Harris, William Thelmer, owner of the Chain of Rocks Motel and president of the River Bluffs Motel Association, and James Devereaux of Sunset Hill Holiday Inn.

Phone Co. Restudying Rural Mileage Charges

A study of phone rates being paid by subscribers in rural areas of Quad-City is being undertaken by the local office of Southwestern Bell Telephone Co. after a resident of Thornton discovered four different rates in that area.

A spokesman for the phone company said subscribers in the area will be contacted individually as the office mileage map is restudied.

Mrs. Robert Polley, who lives on Thorngate drive, noted differences in phone bills in a comparison with neighbors.

The rate in the rural area is figured on distance outside the \$3.50 base rate area and 90 cents additional is charged for each quarter mile. Michael Rafferty, local manager, said an extensive study for customers now paying mileage charges also will be made in connection with the opening of the new central office building at Pontoon Beach. It is scheduled to be put in operation in October and about 1750 telephone customers will have number changes to the new St. Charles 7 or Willington 1 prefix.

Mrs. Polley told the Press-Record her phone is billed for six added quarter-miles, while neighbors were being billed for four to eight quarter-miles.

150 Band Pupils to Compete in State Meet

More than 150 Quad-City junior high school band students will leave early Saturday morning for Matteson, Ill., where they will compete for state honors in the Illinois junior high band and ensemble contest. They will represent Central and Frasier schools in Granite City and the Madison and Venice junior high schools.

The local young musicians will join with hundreds of other students from schools located between Springfield and Cairo. All contestants in the state meet will have first district contests, with the Quad-City winners selected March 20 in district competition in Granite City. The event attracted more than 1000 entrants.

Most of the students will travel by bus with their band instructors and accompanists. Heading the Prather delegation of 48 pupils is Miss Elsie Mayhew, assisted by Mrs. Isabel Schmidt and Mrs. Patricia Passmore.

William F. Ledbetter, band director for the Madison school system, will be assisted by accompanists, Leslie Hulsey, Paula Hutchings, Susan Michels, Beth Ann Miller, Harold Seebald, and Mrs. William F. Ledbetter.

Prather soloists, ensembles and accompanists will be assisted by Mrs. Margaret R. Edwards, Venice band director, who will accompany six contestants to the state finals.

Miss Virginia Raffelle, band director from Central school, will be assisted by Mrs. Margaret R. Edwards, Venice band director, who will accompany six contestants to the state finals.

Rotarians to Attend District Meet May 7-8

Plans for attendance at the May 7-8 district Rotary conference in Springfield were made at a Madison Rotary meeting Tuesday afternoon by two mushroom pickers.

He was later identified as Clyde Hall, 53, a Granite City Steel Co. employee, who authorized said wandered away from home and apparently suffered a seizure. No foul play was suspected.

Found near the body was a hat, glass case and glasses. A jacket was spread across his legs. He was taken to a Collinsville funeral home.

Miller New President Of Venice Lions Club

The Venice Lions club elected 1963-64 officers at a regular meeting Monday evening at the Elks club. There were 21 members and two guests, John Koelker and Richard Rousseau, present.

New officers are James Miller, president; Charles Bihrey, first vice-president; Joseph Bagl, second vice-president; Bernard Anderson, third vice-president; Thomas Williams, treasurer; and Harold Koelker, lion tamer. They will assume their duties at the first meeting in June.

The Venice high school basketball team and the two coaches will be honored at the May 10 Lions meeting at the Elks club. Fund-raising projects were discussed, after which Zahn Wells gave a talk on "Lionsism."

Lay Day Open House at Trooper Headquarters

State police here and throughout Illinois will observe Lay Day on Saturday with open house activities. The public may tour the new district headquarters on Route 159 at Interstate Route 70 between 8 a.m. and 6 p.m., and is invited to visit sub-district headquarters at Litchfield.

MRS. DAVIS AND THE MAYOR who were honored last night at a reception after their 16th anniversary. Mayor Davis is retiring from public office tomorrow after 16 years service.

Mayor Davis Receives Plaque, \$550 Farewell Gifts

A plaque, a \$550 cash gift for a vacation, a picture and cards were presented to retiring Mayor Davis during a reception last night attended by over 300 persons. The open house to bid farewell to the mayor was sponsored by city employees.

The mayor and his wife, Hulda, did not indicate where they would go on the vacation when the mayor retires from office tomorrow after 16 years service. The reception, held in the 300 Room of Tri Mar Hotel, was arranged by Mrs. Lucy Stucke, city hall switchboard operator, and Randall Robertson, local lawyer, served as master of ceremonies.

He recalled being a student of the mayor's when Davis taught and was a coach at Granite City high school. Robertson pointed out the many problems that confronted a teacher equipped Mayor Davis for his public office.

The plaque was presented to the mayor by A. E. Michel, local jeweler and civic leader and member of the city's zoning appeals board. It was engraved: "To the Honorable Mayor of Granite City, May 1, 1949, to April 30, 1965, in deep appreciation for 16 years service."

The cash gift, contributed by city employees and friends of the mayor, was presented by Police Chief Raymond Willard, and the gift of a picture was presented by Mrs. Gladys Chapman of the Animal Shelter board and Albert Young, city humane officer.

In accepting the gifts, Mayor Davis, who will devote his time to the operation of his funeral home, commented that he had experienced "a lot of heartaches in the 16 years, but the joys of some accomplishments overcame them."

"My philosophy of life is to be easy going. I found that to get the most out of people you must treat them as people. I hate to leave. I say goodbye to a mayor but not as your friend."

He pointed with pride to four of his appointees who were with him the full 16 years of his four terms as mayor—Fire Chief Eljah King, Eugene Ellberg, a police and fire commissioner, Troy Walker, boiler inspector, and Elmer Reinhardt, plumbing inspector.

As he concluded his brief talk, Mayor Davis was given a round of applause.

MORE ABOUT

Burns

(Continued from Page 1)

le the cause of the venom he included in his review.

"He sounds more like a loser, but he claims to be the winner. I hate the 'scapegoat candidate loser' and I am very happy."

"Vengeance might have been one of my original motives, but the more people I talked to, the more interested I became in combating what I could to improve our city. I found that many people shared my opinion that our citizens were being subjected to pressure tactics and were, quite frankly, fed up."

"Let all read again the April 19 Press-Record. These things reported in the press happened in America."

Just Begun to Fight

"I sincerely hope that some good will come out of this election, and that it will have a lasting effect on our city. I think people have been awakened to what the conditions are and how desperately power-hungry people can react to opposition."

"To my friends who helped in this campaign, I cannot thank them from my wallet but only from my heart. Their efforts, hard work and courage will not be in vain. There are many elections to come, and we have only begun to fight."

"We have proven, particularly in the Third Ward, that people's rights have no price tag. This ward is where the big man wanted to swamp Chomko so bad that he would never put his name on another ballot again. God help America when only those in power can be placed on a ballot."

Voice Opposition

"This election is over, but all people interested in good government should stand up and counted, make their presence known, attend council meetings—including caucus meetings—and voice their opinion."

"Something is not for the good of our city, they should voice their opposition."

"Let's all work together for the good of all our people. I am interested in the betterment of our city and will be ready to work to achieve our ultimate goal."

"Evidently our mayor would like to have the last word. He knew that he had the same privilege granted everyone by the Press-Record to air his issues during the campaign. But he prefers after-election attacks so that the voters could not voice informed opinions at the polls."

Stratton, Doug Stevens and Jeffery Cavins.

Refreshments were served to 18.

Legion Cites Contest Aides; Plans BBO's

Tri-City American Legion Post 113 presented citations to persons who assisted in a recent state oratorical contest held here.

A. Burt Harris, contest chairman, presented awards to Thomas North, assistant principal at Granite City high school for the cooperation afforded by the school; Roy Lyon, retired safety director at American Steel Foundries, and Associate Circuit Judge Fred Schuman, who served as judge; and Frank Toth, retired foreman at Granite City Steel Co., and John Tempo, retired Press-Record printer, who were timekeepers.

Erwin Belman, fifth division commander, then presented Harris with a citation for staging the best Legion contest yet held in the state. He also expressed appreciation for the cooperation of the high school.

Wilbert Niepert, junior vice-commander, reported that the Legion's annual barbeques will start May 8, but that a little barbeque will be conducted this Saturday to afford the public an opportunity to become acquainted with the program.

Edgar Horton, senior vice-commander, who conducted the meeting in the absence of sailing Commander John Summers, reported current membership at 400, or seven over the past year.

The post contributed \$10 to the Eastern Steel Society. Guests from the 22nd district included Ralph Dury, commander; Elroy Ostendorf, vice-commander; Harold Summers, junior vice-commander; and Fred Honekamp, chaplain.

Telephone Workers Back on Job in GC

About 20 maintenance and construction employees of the Southwestern Bell Telephone Co. garage in Granite City returned to their jobs Tuesday morning after a one-day walkout in a dispute over suspension of a fellow worker.

The man was suspended late last week for insubordination following an exchange of words with a foreman over his job performance, and the men failed to report for work Monday. The men, members of Communication Workers of America, Local 6600, said they felt the suspension was unjustified.

The men returned to work Tuesday and work at the garage was reported normal by telephone officials. The man involved in the dispute was reinstated, a company official said.

Landolt Re-elected Chairman; Board Ups Per Diem \$5

Harold Landolt, Alhambra township supervisor, was re-elected to his third one-year term as chairman of the Madison county board of supervisors at a meeting Wednesday morning in Edwardsville, and members increased their meeting per diem from \$15 to \$20 per day.

A request for a pay increase was signed by 33 board members and the resolution was passed 28 to 12. Quad-City area members attending voted in favor.

John Kraynak, county auditor, told the Press-Record the hike will cost the county an additional \$5000 to \$7000 per year, and that it is available in the contingency fund.

He said a maximum per diem of \$25 was permitted by the State Legislature, and that all major counties in the state have increased the amount up to or more than \$20. It was noted that the last increase was approved on April 29, 1959. A 10-cent mileage rate was left unchanged.

No Opposition
Landolt had no opposition for the chairmanship and his vote was unanimous. "I think we have had a fairly successful year," he said, and in welcoming new members, added "I hope we have the good cooperation from you. All we need is more money to make this operate better."

The county nursing home budget was increased by \$7000 to provide for more nurses' aides and kitchen help required by an increase in the number of patients. Fifty-eight were in residence there on March 31. The increase was to be \$175 per month per patient.

The board approved county zoning board recommendations permitting MacLair Asphalt Co. of East St. Louis to establish a temporary portable asphalt plant in the area of Interstate Highway now under construction. The permit is to expire Dec. 1.

The board authorized a call for bids to remodel the women's rest room on the third floor of the court house to provide a rest room for employees only.

During the reorganization, the board reduced the county of ficers committee from five to three members on the advice of the county auditor.

Seven new members were sought for bids to remodel the women's rest room, including Carl Buehler of Granite City. Among those refusing was Homer "Cat" Poppen, who was elected clerk of Granite City.

The 49-member board has two vacancies caused by the death this week of Eldon Engling, Pin Oak township supervisor, and the death last January of Robert Gaughan of Granite City. Mr. Engling's funeral is to be at 2 p.m. Friday in Troy.

It's much better to be known by the company you keep than by the friends you give away.

Watch your thoughts—the fellow you don't think right can't be expected to live right.

Serving Near Viet Nam

Seaman Apprentice Andrew S. Balsai, USN, son of Mr. and Mrs. Steve J. Balsai, 1618 Maple street, recently participated in the military air strike operations against North Viet Nam, while serving aboard the destroyer USS Somers, operating with the U.S. Seventh Fleet in the South China Sea.

At the final session today, the two local council executives will serve as recorders for a discussion group exploring new services which might be initiated to answer councils' needs. The special study group is composed of representatives from councils in Madison, Wis., Grand Rapids, Mich., Springfield, Ill., Saginaw, Mich., and the River Bluffs Council.

Classified as a major meeting of council presidents, the current triennial session is geared to provide the council leaders with an opportunity to discuss matters of mutual concern; regional and national plans and projects, and as the means to inform the Girl Scout national board of directors of the major needs and interests of councils in Region Seven.

Looking on is Nelson Hognauer, Granite City supervisor, who was re-elected.

Mrs. Eubanks Attending Girl Scout Triennium

Mrs. George Eubanks of Granite City, president of the River Bluffs Girl Scout Council, and Miss Veta Funderburk, executive director, are attending a triennial meeting of council presidents and executives from a four-state area, being held this week in Chicago.

At the final session today, the two local council executives will serve as recorders for a discussion group exploring new services which might be initiated to answer councils' needs. The special study group is composed of representatives from councils in Madison, Wis., Grand Rapids, Mich., Springfield, Ill., Saginaw, Mich., and the River Bluffs Council.

Classified as a major meeting of council presidents, the current triennial session is geared to provide the council leaders with an opportunity to discuss matters of mutual concern; regional and national plans and projects, and as the means to inform the Girl Scout national board of directors of the major needs and interests of councils in Region Seven.

GC Workshop for 25 Teachers, 6 Groups of Gifted

Letters will be sent this week to parents of local children invited to participate in a summer workshop on teaching methods and materials for gifted children, and sixth grade gifted children. Six demonstration classes are to be formed.

Granite City School Supt. Russell D. Johnson and Mrs. Sara "Sally" Sovell, director of the district said today that the parents, teachers and southwestern Illinois University representatives will meet at a date in May to be announced later. At that time, the eight-week workshop will be explained in detail.

Word has just been received of state approval of the project, which is a preparatory step to establishment of the gifted program in Granite City schools this fall.

Twenty-five teachers are to participate this summer and will receive four quarter hours of credit for the local phase of the instruction. They will be selected from Granite City grade school faculties and, if any vacancies remain, from Madison county and St. Clair county faculties.

Located at Niedringhaus grade school, and the hours will be 8:30 a.m. to 11:30 a.m. Monday through Friday, June 7 to July 30.

Another four quarter hours will be offered for a 1-to-4 p.m. daily seminar on special education of the gifted at the SWIU center in East St. Louis.

Instructor will be Dr. Earl Morris, SIU assistant professor of education at Carbondale.

Revised Curriculum
The afternoon training is described as "a course designed for experienced teachers, with basic information regarding identification, nature and characteristics of gifted children." It is intended to aid them in "planning and implementing curricular modifications specifically designed for the gifted child."

Morning activities in Granite City will provide "first-hand observation of gifted children in a flexible classroom situation. Teachers will put into practice special curricular modifications and teaching techniques discussed in the seminar sessions."

Emphasis will be on language arts and social science program, to "revolve methods conducive to a creative climate in which there is a blending of the language and social science areas. The two subjects are taught in a single block of time in Granite City junior high schools.

E. C. Smith Elected Water Co. President

E. Clinton Smith, Belleville, has been elected president and a director of the East St. Louis & Interurban Water Co. He has been vice-president and manager since 1960.

He succeeded Frank J. McAndrew, who will continue as president of other water utility subsidiaries of American Water Works Co., Inc.

Smith has also been named manager of a newly-created division of American Water Works which provides engineering, purchasing and other management services to water utilities in the firm's system. Headquarters will be in St. Louis.

Smith has been in public water service for 25 years. He also served in New Rochelle, N. Y.; Marianna, Cuba; Birmingham, Ala., and St. Joseph, Mo. He is a graduate of Columbia University.

Smith's successor as vice-president and manager will be named soon, officials said.

Annual Mexican Fiesta Planned for May 5th

More than 50 local youngsters will participate in the annual Mexican fiesta, "Cinco de Mayo," the forty-first event of its kind to be held in the Maydays under the auspices of the Mexican Honorary Commission. The fiesta will take place Saturday, May 8, at the Hungarian Home, 1801 Spruce street, it was announced today by Steve Ortiz, commission president.

The public is being invited to attend, Ortiz said, and tickets may be purchased in advance on at the door. Donations are 50 cents for adults and 50 cents for children.

A colorful variety program, directed by Mrs. Elva Ortiz, will highlight the occasion, which commemorates the 103rd anniversary of the "Battle of Puebla," an heroic action fought by Mexican patriots against the French on May 5, 1862. Assisting Mrs. Ortiz with the special show is Mrs. Mary Scanlan, Perry Valencia and Ray Bracamonte.

Following the variety presentations, there will be dancing with music by a Latin-American group. Dishes, native to "south of the border," and other refreshments will be available. Ortiz said.

A delay in completion of the Riverfront Arch and possible extension of the contract for 322 days also was discussed with a decision to investigate the situation which will mean a long delay on the receipt of income from operation of the Arch train which will carry passengers to the top of the structure.

Bi-State Adopts

(Continued from Page 1)

The entire amount of additional revenue anticipated from the new fare plan, 68.7% would be paid in the Missouri central area, 19.5% in the St. Louis suburban area, and 11.8% on the Illinois side of the river. These figures are almost identical to population distribution of the same areas: 69% in the downtown St. Louis area, 18.3% in the St. Louis suburban area, and 12.7% on the Illinois side.

To Improve Gageage
The commission Wednesday also approved a resolution to purchase a 50-foot piece of ground necessary for remodeling and expansion of the Belleville bus garage, and approved a budget amendment providing for the installation of nine two-way radios in supervisors' cars. An amendment to the operating budget to provide for payment of retroactive wage increases to transit system employees also was made. Amount involved was \$17,000. Recent wage increases granted in a new contract were retroactive to Mar. 1.

A report from the transit system showing March revenue of \$1,879,001 and operating expenses of \$1,825,154 was received by the board. The report showed fund payments for the month of \$133,599, bringing all expenses to \$1,958,753, a deficit of \$79,752 for the month. The March figures brought to \$21,505,659 the total revenue for the 18-month period ended March 31.

Operating expenses for the year amounted to \$20,860,148, while fund requirements amounted to another \$1,573,276. Total costs for the year totaled \$22,382,424, leaving a deficit of \$476,725.

Other business included approval of a resolution for assignment of a piece of land used by the Missouri-Pacific Railroad at the entrance to Fairs Airport which recently was acquired by the Bi-State Agency. The board also approved a resolution authorizing Col. Smyser to sign certain papers, leases and other documents.

A delay in completion of the Riverfront Arch and possible extension of the contract for 322 days also was discussed with a decision to investigate the situation which will mean a long delay on the receipt of income from operation of the Arch train which will carry passengers to the top of the structure.

GC-East Side Duel Moved to Saturday; Games at Madison, Riverview Tomorrow

Wet grounds and that key time in the air prompted postponement of yesterday's East St. Louis-Granite City prep baseball game at Wilson Park. East St. Coach Joe Federa announced the game with the Flyers was rescheduled for 11 a.m. Saturday. At the same time, a GCHS junior varsity squad will be at Collinsville for a doubleheader. The varsity unit has a game this afternoon here with Belleville. Both games will be at 4 p.m. tomorrow with Madison and Riverview. Games, Mo., as opponents. The Warriors have an 11-4 record.

Triangular Triumph By Central Trackmen Over Clark, Webster

Jim Rollins won two events Monday as the Central Indians scored 55 points to win an eight-grade triangular track meet at Collinsville. Clark of East St. Louis was second with 45½, with host Webster scoring 28½. Rollins won the low hurdle over 10 in 17.4 and the broad jump at 14-feet-7½. He was second in the five-hurdle race, an event in which he earlier established a new school record with a time of 15.6.

Other Central winners were Jerry Thompson in pole vault and Bob Coleman in high jump. Individual runners-up also included Coleman, broad jump; Dennis Campbell, 10 hurdles; Mike Smith, 100-yard dash; and Eric Christopher, 880. Sevens were also taken by the 880 relay team of Thompson, Smith, Campbell and Rollins and the 440 relay team of Campbell, Christopher, Don Appleby and Bill Rutledge. It was the season's initial place finish for the Indians, coached by Jack Parker and Bryce Boston.

TROPHIES WON by Mrs. Dorothy "Dot" McPhallen (left) in the Federal Business Association bowling tournament in St. Louis. Mrs. McPhallen holds the individual trophy for first place, won with a 688 series (604 scratch). Maj. Bruce Walker, director of the Granite City Army Depot administration office where she is employed, holds the traveling trophy presented to the Depot. Mrs. McPhallen lives at 1416 Eighth street, Madison, with husband Lee and three children, Barbara, 16, Pat, 10, and Keith, eight.

THE MADISON COUNTY SPORTSMAN

By DON HASTINGS
County Conservation Officer

With the bass ready to spawn and the warming of water, bass fishing has picked up considerably although hampered somewhat by the muddy water from recent rains.

There are a number of reports of quite a few bass, with the smaller ones predominant, but every so often a two to four-pounder thrown in to make it interesting. Although usually very successful in the hot summer months the plastic worms already has been bringing good results.

Most fishermen are finding it best to cast with little weight, let sink slowly and then retrieve with a very slow twitch. Many dislike using the plastic worms because of these slow motion twitches and the ease with which it must be set. If they respond to a strike with the usual mighty jerk, the bass is usually lost. Most successful worm ad-

vises advise letting the line ease off at a strike; the bass meets little resistance and then relies on the business of hooking itself. Patience and skill is necessary in all fishing and especially with the plastic worm.

Up the river, channel cat have started biting in backwaters on trotlines baited with cut bait. With the expected rise again next week and recurrent high water this may be a short respite in otherwise slow fishing.

Lake Management Time If you have a lake or fish on one that has the usual small bluegill problem it is time that you began to think about practicing a little lake management by organizing a spawn crew.

By watching the lake at bluegill spawning time you can eliminate the problem by taking a garden rake and destroying the bluegill spawn beds as they appear. What you don't find will produce enough restocking.

This and wire traps are the most effective methods of curing your bluegill problem. I have plans to make bluegill traps available if you need them.

Patrol Effective Our Conservation Department, deer patrol has been effective and we feel footing has greatly decreased since we have been patrolling. We plan to do so until the high water has gone.

A buck deer was killed on Route 140 near Cahokia Creek at the site used where one was killed in January. It was the third auto-deer collision within two weeks in the county.

We will be at the boat show May 15 in downtown Alton with our patrol boat and would be happy to have you stop in and talk. We will be glad to assist you in any manner we can on boating hunting or fishing.

PRESS-RECORD SPORTS

Page 6 - Thurs., April 29, 1965 Granite City PRESS-RECORD

Mercers Play Contractors In Game Here

Stopped by wet grounds last Sunday, local entrants in the Southwestern Inter-City League try again to make their second appearance of the season at 2:30 p.m. Sunday.

Mercer Funeral Home is the only Quad-City team at home, meeting the Marville A.C. Contractors at Wilson Park No. 1. The game will be the first for A.C., a late addition to the baseball league.

Sacred Heart of Granite City will play the Polish-American War Veterans in a contest scheduled for Jones Park No. 2, East St. Louis, Mitchell A.C. travels to play the Troy Red Birds.

In other games, St. Clair Heatlers of East St. Louis visit the Maryville Red Sox and the Puchontas Braves call on Collinsville Kahok Bowl.

Puchontas is the only Inter-City team to play two league games this season. The Braves lost to the Red Sox 2-1 opening day and defeated PAWY 2-1 in last Sunday's lone game.

Sacred Heart, Mercer and Troy also will have inaugural games. The men's league, in its 35th season, was Gary Pennington, who every Sunday through the spring and summer. Special games are played on July 3 and Sept. 6 (Labor Day) with the annual all-star game July 11 at Troy. The seven ends with playoffs running through Oct. 10.

Two Track Victories Over Coolidge Teams Recorded by Prather

Host Prather won both ends of a dual track meet with cross-town rival Coolidge Monday.

The Chief's eighth graders won 61-47 and the seventh graders topped the Braves 54-43.

Eighth grade winners for Prather were Bill Carter, pole vault; Roger Belshe, discus; Larry Pirtle (46-40 yard dash); Tony Petrillo 220 and 100; Dennis McGee, 880, and the mile team of McGee, Belshe, Ricky Smith and Pirtle.

Jim Jones of Coolidge set a new school record in winning the shot put at 44 feet, four inches. The old mark was 42-8. Dave Mullenix won three events—both hurdles, relay and the broad jump. Dan Steward was first in the high jump and the 880 team of Mullenix, Joe Arico, Rich Andrius and Jones also triumphed.

Larry Lee of Prather was second in both hurdles.

Stanley Corey won the broad jump, discus and 440 and ran with Rich Odum, Tom Fes, Ron Ward on the winning 880 team to lead Prather in the seventh grade division. Ward won both the 100 and 220 and Ricky Rose took the 880.

Another individual triple-win was Gary Pennington, who captured the two hurdles events and the high jump. He was out, not padded in. Fat-padded would have ruined Merc's slim, trim silhouette. Merc's slenderness came, primarily, from two new principles:

• A wall of engine cooling water surrounds Merc's new internal exhaust pipe and prevents noise from escaping through the sides of the drive shaft housing. This wall-of-water also damps out mechanical vibration. Unlike ordinary outboards, which pay for noise reduction by sacrificing power, Merc's new silencing system actually boosts power to the prop.

• Mercs have a new, non-broadcasting cowl that is isolated from the vibrating powerhead by large,

JUDOKA OF THE YEAR trophy is presented to Jim Cummings (left) of the St. Louis Downtown YMCA by Leonard Fuchs of Granite City, past trophy-holder. The trophy is in recognition for contributions to the sport of judo and was presented during a tournament at the local YMCA.

Track Chiefs on Top In 7th, 8th Grades; New Pole Vault Mark

Bethalto dined the Prather ninth grade trackmen 75-25 but the local eighth and seventh grade squads won in a dual meet Tuesday on the winners' track.

Carl McDowell scored Prather's lone first in the ninth grade division, winning the high jump at five feet, four inches. He was second in broad jump and the 220-yard dash. Other seconds were by hurdler Steve Ross and runner Larry Rose. Bob Tindall was third in the hurdles and discus.

The Chief's eighth graders won 60-40 as Bill Carter pole vaulted 9-4 to set a new school record. Roger Belshe won the shot put and discus and Michael Terry in hurdles; Larry Pirtle took the 880 relay.

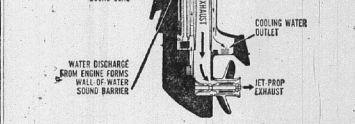

140. Tony Petrillo the 50 and Dennis McGee the 880.

The 880 team with Petrillo, McGee, Ray Becerra and Pirtle.

Ron Ward won the 100 and 220 and Stanley Corey captured the discus and 440 as the seventh graders won 55-50. Other winners were Tom Fea, shot put; Ricky Rose, 880; Rich Odum, Fea, Corey and Ward, 440 relay; and Dan Laswell, Terry and Michael Tindall, 880 relay.

Your Mercury dealer invites you to compare

Merc's sound-engineered quiet with the "fat-padding" method of silencing

The new 4- and 6-cylinder Mercs are 50% quieter. The sound is engineered out, not padded in. Fat-padding would have ruined Merc's slim, trim silhouette. Merc's slenderness came, primarily, from two new principles:

• A wall of engine cooling water surrounds Merc's new internal exhaust pipe and prevents noise from escaping through the sides of the drive shaft housing. This wall-of-water also damps out mechanical vibration. Unlike ordinary outboards, which pay for noise reduction by sacrificing power, Merc's new silencing system actually boosts power to the prop.

• Mercs have a new, non-broadcasting cowl that is isolated from the vibrating powerhead by large,

soft-rubber mounts. The cowl actually "floats" around the powerhead. All openings for controls are sealed with neoprene to insure that sound is trapped inside the cowl.

Dyna-Float, aircraft-type suspension... an elastically isolated steering arm... offset wrist pins... small-bore, short-stroke design... and exclusive Jet-Prop exhaust are just a few more of the reasons why Mercs are 50% quieter.

Make the sound comparison yourself. Drop by your Mercury dealer today... he's got it on the roster. He can also give you more reasons why you get more RUN for your money with Mercury... 100, 90, 65, 50, 35, 20, 9.8, 6 and 3.9 hp.

Shells Come In From the Cold, Shoot Down Erring Trojans 5-4

"No sweat, Gino!" That was the favorite bench chatter of the Roxana Shells yesterday as they encouraged right-handed pitcher Gene Kunz.

"That along expression smacked of reality and irony," said Shells coach-for-bashful MHS field, Kunz certainly showed no signs of perspiration, either from weather or the Madison Trojans or from his physical exertion, in the wind-whiskered 40-degree cold. And that bench chatter was accompanied by the genuine chatter of teeth.

Kunz and his teammates, however, were warmed by a 5-4 victory in the Midwest Conference contest. The loss marched the unhappy Trojans into the cold of the conference cellar.

The Trojans, home to Granite City at 4 p.m. tomorrow, now have a 2-4 record and stand 10th in the fifth-place Bethalto (1-3), Highland is on top at 5-0.

Costly Errors
Madison made five errors in the game and not all could be blamed on cold fingers. Three of the miscues gave the Shells four of their five runs.

Roxana made some booby-lookers. The Trojans scored a run in the second inning with two outs when Tim Shipps' fly ball was dropped. Fred Miller walked and Kunz missed first base while cov-

ering on Gary Hildreth's ground-er. Going ahead 2-1, the Shells scored twice in the third. Vinton Floyd's single, a sacrifice by Kunz, a walk to Gary Pointer and a throw to first base by Madison's pitcher, the outfield throw, the third base skipper to the Madison bench and Pointer scored from third.

The Shells added another tally in the fifth. Pointer singled and stole second but the next two men were retired. Gary Collins walked and Bob Crause tapped back to pitcher Greg Wasylak.

His throw pulled Harry Owen off first base and Pointer sped home from second base, beating Owen's tardy throw.

Trojans Go Ahead
Three runs in the fifth put the Trojans out front 4-3. A walk, an infield error and Alton Rendell's single scored one. Then freshman Shipps came through with two hits, belting a two-run single into centerfield.

The final scoring came in the sixth. With two outs, Roxana sixth. With two outs, a double and passed ball. When Pointer walked, coach Earl Canham relieved Wasylak with Tom Williams. Pointer stole and and both runners scored as Terry Dullage's hard grounder

went through shortstop Lou Ratliff.

Roxana loaded the bases in the seventh but Williams worked out of the jam. In the last of the seventh, Ron Davis stroked a one-out double to stoke up Madison hopes but he was stranded at second base.

The Trojans had five hits off Kunz, all by different batters. Pointer and Dullage had two safeties each for the Shells.

Dupo Wins 7-3
In a game at Dupo Monday, Madison was handed a 7-3 setback. The Tigers, trailing 3-1, wrapped up the game with a six-run outburst in the sixth as Williams walked home three runs.

Rendell hit a triple, Wasylak doubled and Williams had two singles for MHS. Dupo had only four hits in the game.

Dupo's freshmen sophomores topped Madison 7-5. Shipps and Ron Crook had two hits each and Tom Weston slapped a double.

Score by innings:
R H E
Madison 1000 200 0-3 7 4
Dupo 010 006 5-4 3 7
Williams, Wasylak (4) and Davis; Beldridge, Mosbacher (1) and Krenkel.

Score by innings:
R H E
Roxana 002 012 0-5 7 3
Madison 010 020 4-5 5 3
Kunz and Floyd, Wasylak, Williams (4) and Davis.

Wood River Beats GC; Mile Run is Dead-Heat

A mile run resulting in a dead-heat highlighted a triangular track meet yesterday at Wood River. The host district, tied for third in pole vault.

The GCMS mile relay team of John and Jim Meyer, Randy Carney and John Meyer, won the mile and the 880 team was fifth Alton, struggling off the rainy afternoon. From its eighth straight loss, GCMS easily.

The Warriors participate in the 100-yard dash, 200-yard dash, 400-yard dash, 800-yard dash, 1,600-yard dash, 3,200-yard dash, 5,000-yard dash, 8,000-yard dash, 10,000-yard dash, 12,000-yard dash, Returns from Hospital
Mrs. Lucille Fields, 1108 Kirkpatrick Homes, returned to her home this week from Jewish Hospital, St. Louis, where she underwent heart surgery Feb. 24.

Travelers to Explain Foreign Lands to Pupils
Plans to present travel programs in Granite City schools were made by members of Travelers Abroad during their April

meeting Monday night at the Prather Junior high school library. The enrichment instruction project is being developed by the school district's Committee on Gifted Children. The local organization of world travelers decided to hold its May 24 meeting in the form

of a banquet. Miss Beatrice Cooley is to be the speaker, and the banquet committee consists of William Thoeke, Miss Helen Gantcheff and Mrs. William Huxel. It was decided to hold no about that country, where he has been stationed. President William F. Winter presided.

plan additional trips abroad this summer. Capt. Charles James of the Granite City Army Depot showed photographic slides of Korea and answered questions about that country, where he has been stationed. President William F. Winter presided.

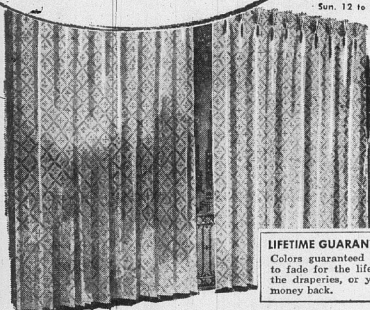

Howard Helman Named To MIT Dean's List
Howard L. Helman, a senior, is on the dean's list at the Massachusetts Institute of Technology, Cambridge, Mass., for the 1964 fall term. The dean's list is composed of the upper third

of undergraduates in scholastic standing. He is a son of Mr. and Mrs. Morris Helman, proprietor of Helman's Style Shop. **FOR YOUR LIQUOR NEEDS SAVE AT SMILIN' JOE'S** 3102 Nameoki Road & 1904 State

GC Park Board Studying Work Lists and Pay

A list of summer employees and recommended salaries was submitted last night by Supt. Harold Brown to the Granite City park district commissioners but approval was withheld pending a special salary meeting at 6 p.m. Tuesday.

Commissioners indicated they wanted more time to study the salary lists. The meeting will precede the 7 p.m. annual reorganization meeting at the Wilson Park office. At that time, newly-elected commissioner William "Bill" Kuyak will take office, succeeding Milton R. Allen. The employee list included Mrs. Ruby Mayberry, who will take over the preschool program formerly held by John Birdsong. Birdsong's dismissal by Brown brought protests by a citizens' group but the park board backed the superintendent's right to fire an employee. Mrs. Mayberry has been employed as a substitute kindergarten teacher in the Granite City school system. She will handle the preschoolers at the Community Center during the winter months and at Wilson Park during the summer season.

Pool to Open May 29
Brown announced plans for the opening of the Wilson Park swim pool on May 29 and that the Community Center interior has been repainted and is ready for the regional meeting of the Illinois Association of Park Districts May 22.

He reported a watchman will be stationed in the Wilson Park garden from 4 to 10 p.m. to stop vandals in the flower beds and around the pool pumphouse; and 8000 summer program books will be distributed in late May to the school children, and that the summer program would include 67 baseball teams and 34 softball teams.

Registration for the weekly St. Louis Munch Opera trips will begin next week. This year 585 persons are expected to make the excursions.

The commissioners decided to place a newspaper advertisement outlining plans for the July Fourth celebration instead of printing program books as in the past. They agreed the program books were of little value because of small value to advertisers.

Cancer Campaign Under Way In GC; More Workers Needed

The annual Cancer Fund drive is being conducted this week and next week in Granite City with 200 volunteers to take part. It was announced today by Mrs. Betty Walls, chairman.

Mrs. Walls said she still needs more volunteers to canvass the area, and anyone wishing to take part may call her at GL 1-7435. The meeting will be the important phase of 1965 educational and fund-raising crusade against cancer is the distribution of the American Cancer Society's leaflet.

"We hope the leaflet, entitled 'Answers to Questions About Cancer which Concern You' will go to every home in Granite City," Mrs. Walls said. "If read and acted upon, we could save half of those persons who develop cancer instead of one out of three as we are today."

CD Director Koenig Attending Seminar

Granite City Civil Defense Director Victor H. Koenig is attending an advanced seminar for CD executives and a two-day meeting of Region Four of the U.S. Civil Defense Council. Both events are being held this week at the Office of Civil Defense staff office in Battle Creek, Mich.

The local CD official also has announced plans to attend the annual spring conference of the U.S. Civil Defense Council, scheduled for May 10, 11 and 12 in Washington, D. C. Koenig reports while he is out-of-town, all CD matters should be referred to Assistant Director Floyd T. Mitchell.

Mathias and Goewert Attend U. S. C. of C.
Carl Mathias, manager of Illinois Power Co. and president of the Tri-Cities Chamber of Commerce, and C. of C. Executive Secretary Kent Goewert returned last night from Washington, D.C., where they attended the 53rd annual meeting of the U.S. Chamber of Commerce.

The sessions which started Monday were held in the ballroom of a new \$30,000,000 hotel and accommodates all 500 delegates from the 40 states and foreign countries. President Johnson attended the Tuesday night meeting.

Mathias and Goewert also participated in a conference of the U.S. Chamber of Commerce and Senators, Cong. Price and Senators Douglas and Dickson were present.

All the world's stage and screen little time for intermission between the acts.

Fire at Evergreen Strictly for Birds

The unusual happened last night at Evergreen, a 20-acre tract, 2318 N. Main St., owned by Granite City firemen think the incident was strictly for the birds.

They were called to the tavern at about 11 o'clock and determined that someone had set fire to a birds' nest in a red worm. Damage was estimated at \$25 to the house. The nest was a total loss.

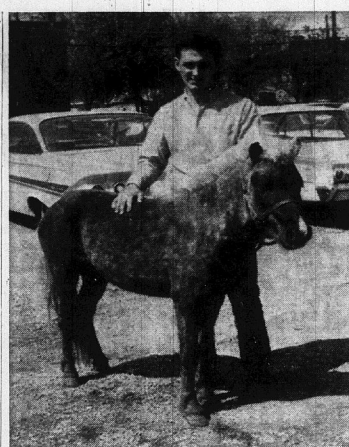

Illinois Day Today At Gateway Exhibit

Today is Illinois Day at the "Governments at the Gateway" exhibit in St. Louis Kiel Auditorium, and Gov. Keener, state and area officials are to visit the exhibit. Illinois Day is being observed from 10 a.m. to 5 p.m. for a reception.

All mayors and mayors-elect and city council members have been invited to the reception. At 8:20 p.m. a panel presentation, "Illinois Legislators Face the Future," is to be given by Senators Paul Simon, Alan Dixon and John Gilbert and Rep. Ralph Smith, with Gov. Keener also participating.

The STU symphonic band is to perform from 7:30 to 8:20 p.m. along with a dance group.

STORM WINDOWS AND DOORS—GRANITE CITY GLASS CO. TR 7-5400

LOST PONY IDENTIFIED AS "Sam" by children of Wilfred Campbell, 2227 Alexander street, who found it Wednesday morning grazing on his front lawn. It is owned by George Topel, Rural Route One, who lives east of the coke plant. The pony had jumped the fence. Albert Young, Granite City humane officer, displays the animal which had become frightened at its own reflection in the tinted plate-glass window of the Press-Record office. He whinnied and kicked. Young took it to Alderman R. D. Bergfield's Stormy Weather barn on Rock road. Campbell is considering the purchase of the pony for his children if he can find a barn for it.

New School Bus Contract Sought

The Granite City school board last night instructed Supt. Russell D. Johnson to negotiate with Bi-State Transit System on 1965-66 school bus-contract and on May 10, the vote was 6-1, with Daniel Linder opposed due to lack of bidding. Unanimous approval was given to continuation of the Hollywood-Andrews Studio contract for school photographs through next year, without change. Individual pictures are offered to grade and junior high pupils, elementary class group are photographed and high school yearbook photographs are provided.

Supt. Johnson reviewed school legislation and said GCHS gymnasium floor replacement contracts have been completed. The board authorized a court continuance from May 1 to June 1 on a tenure lawsuit, at the request of a former teacher's attorney.

Emerson Principal Dale Rea, chairman of the National Defense Education Act faculty committee, reported in detail to the board on the law and its effect on the Granite City district. Eiling, a \$6840 NDEA claim was approved.

In other business, the board decided to omit committee report meetings during the summer.

TV for Graduation
Approved closed-circuit television in the GCHS auditorium of graduation exercises in the gymnasium again this year.

Authorized summer use of school facilities by the park district.

Hired as teachers for 1965-66: Gail Bassin, East St. Louis, 1965 bachelor degree from University of Missouri, kindergarten; Miss Linda Graser, St. Louis, 1965 U. of Missouri bachelor, Maryville third grade; Miss Jane Hudson, Wood River, 1965 Illinois State U. bachelor, speech therapist; Edward Schroeder, Pekin, Ill., SIU bachelor degree and two years of teaching, English and German; Mrs. Richard (Linda) Williams, Wood River, 1965 SIU bachelor, Frohardt first grade; Miss Anita Pittman, Geneva, Ala., 1965 U. of Alabama bachelor, GCHS home economics; Francis Dale Rice, Alton, SIU bachelor and four years, GCHS mathematics and earth science; and Miss Anita Szewja, Venice, 1965 SIU bachelor, also GCHS home economics.

Approved retirement by Miss Ella Rae Smith, Webster first grade teacher; Mrs. Lillie Spotts, Webster kindergarten; and Miss Nelle Gibson, Nameoki second grade.

Accepted the resignation of Miss Judith Massey, Washington second grade teacher.

Athletic Assignments
Approved assignment of Robert Stegemeyer as Prather junior high head football coach and Raymond Psalica as Prather football assistant, and retention of Andy Sullivan as GCHS assistant track coach and Gale Garbis as Coolidge junior high assistant basketball coach.

Decided to have a new type of annual report prepared, for distribution to taxpayers.

And bought a \$500 agricultural sprayer from Lakewood Equipment Co.

Taking advantage of a raft of friends is the only thing that keeps some people afloat.

Bill Oks 99-Year Tri-City Port Leases

A legislative measure authorizing the Tri-City Port District to enter into 99-year leases with firms to locate in the district's Granite City port area has passed both houses of the Illinois Legislature and is expected to be signed by Gov. Otto Kerner, it was reported in Springfield today.

Gene Graves, director of the State Board of Economic Development, said the bill is designed to attract more firms. The district now can lease only for 20 years which discourages some potential clients who desire longer protection on their investment.

Madison-Venice Sewer Plant Fees by April '66

An ordinance adopted Monday by the East Side Leave & Sanitary board on the \$1,600,000 Landowne-Madison-Venice sewer and sewage treatment plant construction project, limited fee collections as starting not later than April 1, 1966.

The monthly charges will be due as soon as treatment is provided for sanitary sewage to be deposited in the Mississippi River. For payments after the tenth of the month, 10% will be added. The schedule, the same as that announced at last week's Madison and Venice city council meetings, is based on water use.

Infant, 7 Weeks Old, Dies in Hospital

Lela May Richardson, seven-week-old daughter of Mr. and Mrs. Grady Richardson, 3760 Lake drive, died at 10:45 p.m. Wednesday in St. Louis Children's Hospital, St. Louis. The baby had been born prematurely.

The infant was born March 11. In addition to her parents she is survived by her grandparents, Mr. and Mrs. Harry D. Miller of Granite City and Mrs. Gertie Bell Richardson of Evin, Tenn. Funeral arrangements are given in today's obituary column.

Steel Strike is Delayed 4 Months

With the threatened May 1 nation-wide steel strike postponed at least four months, district officials of the Steelworkers Union and officials of Granite City Steel Co. are continuing with negotiations on local contract issues, it was learned today.

Both sides have agreed that no statements will be made at present.

The union and company negotiators in Pittsburgh agreed yesterday on an 11.5-cent-an-hour increase pending final contract negotiations with a Sept. 1 deadline.

Preparations for Opening of SWIU Campus Continue

Another contract and a list of faculty and staff appointments are being announced by Southern Illinois University as it continues to prepare for the fall term opening of the new Quad-Cities-Edwardsville campus.

An \$85,000 contract has been awarded to Cunningham Electric Co., Anna, for underground electric work on the SWIU campus.

Morris Carr, currently personnel director for the new campus, has been named supervisor of the SWIU general office in East St. Louis, replacing Loren Jung, who has been appointed assistant director of institutional research at Carbondale. Carr also has been appointed as an instructor in the business division.

Meeting of Classes, Offices

Jung, formerly assistant to the vice-president for operations of the Quad-Cities-Edwardsville campus, will be a lecturer in administration and supervision among other duties at Carbondale beginning in September. He is temporarily assigned to coordinating some of the work involved in moving classes and offices into the central core of new buildings here.

The annual SWIU academic promotions list, containing 31 names, advances 15 faculty members to full professor rank, 18 to associate professor and four from instructor to assistant professor. New faculty appointments include eight professors, 12 associates and 22 assistants.

Distinguished scholars who will join the faculty for limited terms include Mrs. Eleanor O. Barnes, books and nutrition specialist; Adamis Alexander Gebhardt, primitive art expert and author; Jean Gottmann, French geographer; Frank Monkhouse, British geographer; and Nadig Krishna Murthy, head of the department of journalism at Mysore University, India.

Term Opens Sept. 22

Architects have promised completion of the John Mason Peck classroom building and the Elijah P. Lovejoy Library at the new campus during the summer, and a portion of the science building is expected to be ready for use when the fall quarter starts Sept. 22.

University trustees have approved 15 requests for sabbatical leaves during the 1965-66 academic year for travel, study and writing.

The board has requested approval by the Illinois Board of Higher Education for an aviation technology program in the Vocational Technical Institute, leading to the degree of Associate in Technology.

Six New Professors Here

Local area promotions include Howard V. Davis, Howard D. Southwood and David E. Bear, all of the education division; Raymond J. Spahn and Mrs. Marion A. Taylor, both of the humanities division; and Curt Glaser, social science division, to the rank of professor.

New associate professors at Quad-Cities-Edwardsville are Richard D. Spear and Robert H. Steinkeller, education; Ralph W. Axell and Irwin H. Parrill, science and technology; David C. Luan, business division; and William C. Slattery, humanities. A new assistant professor is Miss Mary Belle Smith, fine arts division.

Samuel F. Lewis, assistant professor at the campus library, will leave July 1 to accept a position at the University of Wisconsin.

Those on sabbatical leave will include Mrs. Faythor Parrill, Luan, Bear, Lawrence E. Tallana, Jack Bruce Thomas, Leo Chubb, Allan J. McCurry, Jules Zanger and Robert F. Erickson. Mrs. Taylor is going to Turkey; Parrill to Europe and Luan to Taiwan.

SWIU Art Display Open To Public at Alton

An exhibition of "Masterpieces of Religious Art," consisting of 23 colored reproductions of works on religious themes, is now on display at Southern Illinois University's Student Union in Alton.

Included in the collection are Duccio's "Calling of the Apostles Peter and Andrew," emptying the spirit of Christian virtues found in 15th century Italy; the crucifixions of Grünewald and Perugino; and Bellini's "Christ Child in the Arms of His Mother."

The rigors of the Reformation are expressed by Tintoretto and in El Greco, and Rembrandt's "Angelic Paul" is invested with shades of meaning derived from his role as Christ's devotee. Also included are two modern studies of "The Last Supper" by William Blake and Salvador Dali. The show will run through May 11. The public is invited.

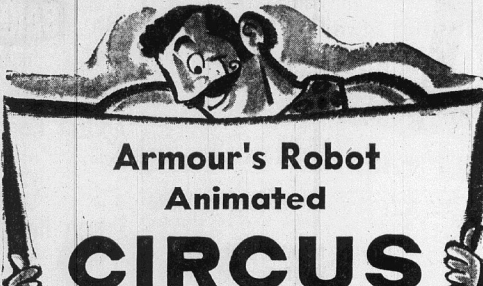

Services for Sunday

The spiritual requirements for release from guilt and suffering will be examined at First Church of Christ, Scientist, 2580 Delmar avenue, Sunday. Subject of the Bible lesson is "Evolving Punishment."

Bill Williams Named International Director

Bill P. Williams, 2878 Idaho avenue, was elected an alternate director of the Credit Union International Association at the state convention of the Illinois Credit Union League in Chicago, he will represent the state on the board of the world-wide association with 31,000 credit unions having 19,000,000 members.

Williams has been active in the credit unions for 19 years and is treasurer and general manager of the Granite City Steel Employees Federal Credit Union. He also is on the boards of CUNA Mutual Insurance Society and of CUMIS Insurance Society.

Assigned to SAC Base After Mechanics Course

Airman Third Class Dennis P. White, son of Mr. and Mrs. Marvin C. Waggoner, 2723 Michigan avenue, recently was assigned to the Strategic Air Command's Lockbourne AFB, O. The Granite City high school graduate received his new assignment following his graduation from the technical training division. The flight was said to involve another soldier and was reported to have occurred in the barracks section of the Army post. Cause of death was not given.

PVT. MICHAEL TOPAL

M. J. Topal Killed in Mishap at Army Post

Pvt. Michael J. Topal, 18, son of Mr. and Mrs. George Topal of Granite City, was fatally injured Monday in what Army officers described as a "mishap" during an airfield at Fort Gordon, Ga. where Topal was stationed.

Authorities declined to give any details of the affair today. The school City high school graduate received his new assignment following his graduation from the technical training division. The flight was said to involve another soldier and was reported to have occurred in the barracks section of the Army post. Cause of death was not given.

Topal's parents were informed

Grand Avenue Back To Northbound

Grand avenue is being restored to one-way, northbound traffic today between 18th and 20th streets, it was announced by Police Chief Raymond Willard.

The street had been designated one-way, southbound for the two block while Madison avenue was being excavated for relocation of a city sewer to permit a \$140,000,000 expansion-modernization program at Granite City Steel Co. Trolley tracks also were removed.

Training at San Diego

Seaman Recruit Michael D. Bader, USN, son of Mr. and Mrs. Herman G. Bader of 71 Janine court, is undergoing nine weeks of Navy basic training at the U.S. Naval Training Center, San Diego, Calif.

by telegram that he had been fatally injured in a mishap and had been pronounced dead on arrival at the base hospital. A relative said the family has received no other details. Topal joined the Army last September.

In addition to his parents, he is survived by two brothers, George L. Topal Jr. and Joseph S. Topal, and six sisters, Thelma Ann, Jeanette Frances, Debbie Kathy, Mary Beth and Victoria. Funeral arrangements are given in today's obituary column.

IF YOUR CAR DOESN'T HAVE SEAT BELTS, INSTALL THEM. IF IT DOES, USE THEM—EVERY TIME!

Mediterranean Tour

Chief Fire Control Technician Robert J. Pieper, USN, husband of the former Miss Mary H. Pouch, 4131 Alton road, is serving

aboard the guided missile destroyer USS Dewey, which is currently deployed in the Mediterranean on a five-month cruise with the Sixth Fleet.

May Day Parade to be Sunday at Collinsville

The annual May Day parade and religious observance will be conducted by the Madison county chapter of the Knights of Columbus at 7 p.m. Sunday at Collinsville.

The parade will start at St. Peter & Paul's Church and will continue to the Collinsville high school football field for the service. Members of the Tri-Cities Council are to participate. Principal speaker will be Walter Dakin Williams of O'Fallon, an author and assistant U. S. district attorney. The parade will include marching units, bands and floats. The theme is "Prayer for Peace."

Pfc. Thompson Takes Part in Field Exercise

Army Pfc. Darold E. Thompson, son of Mr. and Mrs. Ernest T. Thompson, 1216 Logan street, Madison, took part in a major field training exercise conducted by the 4th Infantry Division at Fort Lewis, Wash. Thompson, 22, participated in various tactical maneuvers, including infantry attacks and river crossings designed to test the divisions combat readiness. A supply handler in Company A of the division's 4th Supply and Transport Battalion at Fort Lewis, Thompson entered the Army in March 1964 and received basic training at Fort Leonard Wood, Mo.

Read the Label

PROTECT YOUR FAMILY
AGAINST POISONING

AVOID ACCIDENTS

Many common household products are dangerous, especially if accidentally swallowed.

These include certain bleaches, cleaners, furniture polishes, kerosene and other fuels, paints, paint thinners and removers, and the like.

Federal law* requires labels on such products to give you the following information:

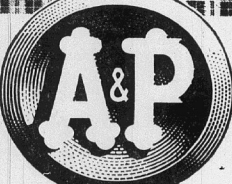

- What's in the product that makes it harmful—necessary information for the doctor in case of injury.
- How it can harm—"flammable," "vapor harmful," "poison," etc.
- Special words to flag the hazard, "DANGER," "WARNING," "CAUTION"—and the skull and crossbones symbol if highly toxic.
- What to do to avoid harm, and also first aid instructions, if indicated, in case of accident.
- The statement "KEEP OUT OF THE REACH OF CHILDREN."

*The Federal Hazardous Substances Labeling Act, enforced by the Food and Drug Administration, U.S. Department of Health, Education, and Welfare.

World Friends Subseams met at Second Baptist Church Tuesday with the leader, Mrs. Betty Lewis. Bibles and materials pertaining to study of the Bible were on display and Mrs. Lewis told a story.

World Friends booklets were reviewed and the children worked on a project to help the beginner department. Plans were made for an outing in May. Prayer was given by Mrs. Lewis.

A birthday card was prepared to send to Miss Frances Diaz, Southern Baptist missionary at the Lincoln Place Mission. Those present were Gwynn Olin, Christine Lindsey, Gail Lewis, Jackie Weidman, Dennis Reynolds and Reubin Wyatt.

Maxine Stewart and Oma Lee Subseams met at Second Baptist Church Tuesday afternoon with the leaders, Mrs. Beverly Crown and Miss Bonnie Fimell. The group made plans for Mother's Day gifts. A story was told and songs were sung. About 20 were present.

MRS. MILLS ENTERTAINS
The Cray Eight Pinocchio club met Monday evening with Mrs. Judy Mills, 2223 Illinois avenue.

Prizes were awarded to Mesdames Brenda Austin, Carol McConnell, Barbara Kinney and Mary McKee. Refreshments were served by the hostess to Mesdames Nora Young, Glenda Coleman, Clara Grizzard, Shirley Wright and the prize winners. The next meeting will be with Mrs. Austin on Ohio avenue.

AWARDS CEREMONY FOR PACK 122

An awards presentation highlighted the April meeting of Cub Pack 122 held at Wilson school Monday evening. The meeting was opened with a flag ceremony by Den Three, along with the den mother, Mrs. Rita Moutria.

Cubmaster Joseph Moutria presented awards to the following boys: bobcat pins to Paul K. Cuppett, Scott Magnan and Jim Hall; a wolf badge and one-year pin to Richard Ashby; and lion badge, one and two-year pins, and a gold and silver arrow point to Gary Garner.

Gold arrow points were presented to Allen Davenport, James Garner and Mike Newman. A two-year pin was awarded to Donald McKinney.

Don McKinney gave the boys derby racer kits to begin constructing cars for the "pinewood derby" to be held in May. Moutria introduced a new sign mother, Mrs. Jennie York, and refreshments were served.

17TH BIRTHDAY PARTY HONORS MISS PRESLEY

Mrs. Clayton Presley, 317 East Chain of Rocks road, entertained with a surprise party Monday evening in honor of her daughter, Miss June Presley, on her 17th birthday.

Ice cream, cake and punch were served. After the honoree opened her many gifts, the evening was spent dancing.

Those present were Mrs. Carol Presley and children, Jimmy and Tammy; Johnnie Presley, Roy Johnson, Joyce Long, Paul Johnson, Linda Harris, Larry Silwell, Judy Richardson, Frank Gregory, Butch and Roger McGinnis, Roger Crites, Cindy Kelly, Mary Young, Gary Kelly, Eddie Bush, James Kelly, Philip LaRose, Eddie Duckett, Karen Haynes and Vern Wilkerson.

HOSPITAL PATIENT

Mrs. Avalon Young is a patient at Christian Welfare Hospital, East St. Louis.

Marine Rhodes Graduates As Parachute Rigger

Marine Lance Corporal Glenard G. Rhodes, son of George W. Rhodes, 135 Circle drive, Venice, recently was graduated from Basic Parachute Rigging school at the Naval Air Technical Training Unit, Lakehurst, N.J.

During the 16-week school, he received instruction in packing parachutes and servicing survival equipment such as aviators' life jackets and life rafts. Prior to graduation, he made a voluntary parachute jump using a parachute he personally packed.

Arrives at Norton AFB

Staff Sergeant Marine R. Wimbish, an electrical power production technician, recently arrived for duty at Norton AFB, Calif. A veteran of the Korean conflict, Wimbish is married to the former Miss Gertrude Williams, daughter of Mrs. Mattie Williams, 2034 Dowey avenue. He is a native of Keota, Okla.

MRS. ELLEN ROBINSON
TR. 6-5288

OFFICERS ELECTED FOR FIRE PROTECTION GROUP

A meeting was held Monday evening at the Horseshoe Club of Rod and Gun club to discuss a proposed fire department for the area. Those elected were: president, Mains; secretary, Virgil Layton; treasurer, Ervin Mueller; trustees, Dilman Cottrell, Vernon Dickinson and Albert Dempster; and equipment maintenance chairman, Joseph Robinson and Cottrell.

The department is to be supported with donations derived from social events. Harold Ford, a representative of Union Electric Co., gave a talk and demonstration on causes and prevention of fires. He also explained how to put out fires with household items.

Others present were Gilbert Davis, Charles Lukaski, Mrs. Maude Garstner, Mrs. Joseph Robinson, Don King, Mrs. Mary Ann King, Mrs. Evelyne Mueller, Charles Payne, Alfred H. Morgan, August Schwartz, Lewis Wood, Edward Hendricks, Bud Skinner, Harold Adams, Don Parker, Mr. and Mrs. Jack Jost, L. W. Martin, Mr. and Mrs. Herbert Kincaid, T. H. Tribble, Everett E. Dempster and Mr. and Mrs. Harold Ford.

MRS. DICKINSON
MONIED AT SPOWDER
A cradle shower was given Tuesday evening by Mesdames John Mains, Mrs. Adams, Mrs. George Berger in honor of Mrs. Jackie Dickinson.

Out of town guests included Mrs. Beverly Noones, Miss Marie Noones and Miss Jo Ellen Miller, Belleville; Mrs. Mona Hayter, Mrs. Hazel Hayter, Mrs. Edith Noones, Mrs. Mary Ann King, Mrs. Evelyne Grison and children Ronnie, Charlie, Chidy, Charles and Terry, all of East St. Louis.

Guests from the Quad-Cities area were Mrs. Maude and children, Pam, Paty, Nicky and Jimmy, Mrs. Carrie DeGonia and son Sammy, Mrs. Velta Lewis, Mrs. Elsie Hamilton, Miss Jeanie Adams and husband.

Gamps were played and prizes were awarded to Beverly Noones, Kay Williams, Maude Getts, Mrs. Carolyn DeGonia, Jo Ellen Miller and Mary Pristeto.

Coffee and cake were served. Mrs. Dickinson opened her many presents.

Mr. and Mrs. Red Morris went to California, Mo., Sunday to visit Morris' foster parents, Mr. and Mrs. William McClellan.

Mr. and Mrs. Gerold Morris were visited Tuesday by Miss Ronda Lantz of Lansing, Mich. She also visited her niece, Stephens Lantz, and a brother in Madison.

John T. Madden Jr., 40, Dies of Cancer

John T. Madden Jr., of 103 Venice Homes, Venice, died in the John Cochran Veterans Hospital, St. Louis at 11:45 p.m. Wednesday, April 27, after an illness of a year and a half. Death was due to cancer.

Mr. Madden was employed as an engineer by the Wabash Railroad where he worked 13 years prior to his retirement six months ago. He was a member of Venice-Madison American Legion Post 367 and the Brotherhood of Locomotive Firemen and Engineers.

He is survived by his wife, Sarah; two sons, John T. III, and William Eugene, and three daughters, Sheril, Melinda Sue and Patricia Ann, all at home; his stepfather and mother, Mr. and Mrs. Thomas E. Ham of Venice; a brother, Eugene R. Madden of St. Louis; and three sisters, Mrs. Edwards (Margaret) Wittbroer of St. Louis; Mrs. Lester (Florence) Hesselmeier and Mrs. Herbert (Eileen) Dunham, both of St. Charles, Mo. Funeral arrangements are given in the obituary column elsewhere in this issue.

Miss Kathryn Leyden Dies in Nursing Home

Miss Kathryn Leyden, 91, of 2212 State street, died at 9:10 p.m. Wednesday in the Madison County Nursing Home at Edwardsville. Death was due to infirmities, following a long illness of many years. She had been a patient in the nursing home three years.

Miss Leyden formerly was employed for 15 years at Moellenbrook Dry Goods in Granite City, and later worked for Glue department store prior to her retirement about 15 years ago. She is survived by two nieces, Wilford Waters of Dallas, Texas, and Charles Ward of Granite City, and two nephews, Mildred Ward of Granite City and Mrs. Earl (Margaret) Mavity of Ashburn, Ill.

Funeral arrangements are given in today's obituary column.

Village Tax Explained
Chapler Dean, defeated Pontoon Beach trustee, said today that opponents' talk of a \$60 village tax bill multiplied by about nine times the actual average cost of \$6.70. In clarifying a statement published earlier, he said the tax rate is 26.2 cents on \$100 valuation or \$26.2 on \$100 valuation.

HOSPITAL AUXILIARY

St. Elizabeth Hospital Auxiliary met Monday evening in the hospital library with Mrs. Catherine Pisel, vice-president, in charge.

Two guests were introduced: Miss Irene Krotz and Mrs. Joyce Frickie, and reports on the coffee shop were given by Mrs. Zimmer. A resume of the recent district meeting held here was given by Mrs. Mary Opich and Mrs. Pisel, and refreshments were served to 38, including the guests.

Social Meeting For Sorority

A social meeting of Eta Chapter of the Phi Tau Omega sorority was held Tuesday evening at Fischer's restaurant in Belleville.

Mrs. Katherine Weddell, Miss Hilda Schroeder, Mrs. Shirley Dutton and Mrs. Virginia Giehl were hostesses to the group and 22 were present.

Prizes in games were won by Mrs. Mary Evelyn Yenko, Mrs. Lois Winter, Mrs. Millie Grubbs and Mrs. Ella Mae Gabriel.

Girl Scout Leader Installation

A regular meeting of Girl Scout Leaders of Neighborhood Two was held at the Lincoln Temple.

The staff includes Mrs. Wilma Hancock, chairman who presided; Mrs. Vee Throne, secretary; and Mrs. Pearl Wells, treasurer.

Brownie and Junior fund days were announced, as was the Cadet of plans completed for a trip to Grant's Farm in St. Louis county May 8 and 28.

The Leaders fund day will take place at Camp Lakota and registrations were taken. May 19 was designated as Operation Fire Building for leaders of Neighborhood Two at Wilson Park and the time was set for 10 a.m.

After the meeting there was a time of time and refreshments were served by the hostesses, Mrs. Rose Marie Lindner.

Mrs. Georgiana Waggoner and Mrs. Mary Hassler.

FRATERNAL RELATIONS NIGHT BY BETHEL 43

Bethel 43, International Order of John's Daughters observed "fraternal relations" night Tuesday at the Masonic Temple.

The meeting was opened by Carol Luen, honored queen, and the presiding officers, Mrs. Ida Caris, worthy matron of Granite Chapter 650, Order of Eastern Star, Mrs. Carol Hettick, secretary; and Mrs. Pearl Wells, treasurer.

A report was made of the Shrine and Eastern Star trip to Grant's Farm in St. Louis county May 8 and 28.

The following girls were initiated: Laura Massie, Deborah Baker, Sharon Smith, Cynthia Mofford, Alexia Cochran, Cheryl Haynes, Debra Burnett and Brenda Sawyer.

A report was made of guest night in Wood River, and other activities were discussed, including the Grand Session in Poria attended by the honored queen, Marion Sullivan, Debbie Teller and Mrs. Nell Baskette.

Remarks were made by Mrs. Caris, Mrs. Hettick, George Lipscomb, Dr. Anne Rode, Mrs. Baskette, guardian, and Dr. E. present.

AMVETS AUXILIARY PLANS EVENTS

Amvets Auxiliary, Unit 51, met last night with Mrs. Ann Tucker, president, in charge.

There were present, including one new member, Mrs. Ruth Calaway, and announcement was made of the state convention to be held in Mt. Vernon June 24-27.

Family day will be an event of Sunday and at the May 12 meeting new officers are to be nominated.

Mrs. Dolores Robinson was awarded the "white elephant" and refreshments were served.

ATTENDS SON'S WEDDING

Mrs. Rosalie Gunn, 4109 Kirkpatrick Homes, returned Tuesday from Fort Worth, Tex., where she visited her son, A. E. Richard D. Gunn, stationed at Carswell Air Force Base and attended his wedding April 23 to Miss Janet Mays, a daughter of Mr. and Mrs. Raymond E. Mays of Fort Worth.

NEW MEMBER WELCOMED BY LOCAL ASSOCIATION
A monthly meeting of the Tri-City Hungarian Home Association

Four gave a skit, "I'm a Lonely Little Petunia in the Garden Patch." Den One won attendance honors.

An induction ceremony was held for Kenny Seibert, who received a bobcat pin. The boys sang a song welcoming the new family.

A paper drive was planned. Anyone having papers to pick up may call Ray Newberry.

A meeting was planned for the pack committee and den mothers.

Cubmaster Ray Newberry introduced Curtis Stover, neighborhood commissioner, who presented the pack charter and a banner for 100% subscriptions to "Boys' Life." A play, "Old MacDonald Had a Farm" was given by Dena Two and Three. Den

tion took place Sunday at the Hungarian home, 1801 Spruce Street, with John Kozar presiding.

A discussion was held on the problems of the hall. A new member, Mrs. Jack Vizer, was welcomed.

A luncheon was served by Mrs. Anna Kuzur and Mrs. Anna Kuzur, Mr. and Mrs. John Kozar, Mr. and Mrs. Steve Kozar, Mr. and Mrs. Dave Nagy, Mr. and Mrs. Jack Hinters, Mr. and Mrs. Alex Kuzur, Mr. and Mrs. Joseph Veres of Olive

Veres of Cedar street, Mr. and Mrs. George Merz, Jack Vizer, Mrs. Bertha Pritchard, Mrs. Margaret Lebeck, Mrs. Ann Seibel, Mrs. Rose Nagy, Mrs. Elizabeth Gassoy, Andy Barbo, Steve Kakocki, Mr. and Mrs. Roland Merz and Mr. and Mrs. Frank Bernmann of St. Louis and Mrs. Loretta Haunzel and Mrs. Eva Barndorf of Jennings, Mo.

Games were enjoyed and prizes were awarded to winners.

Junior Girl Scout Troop 160 met Monday evening at Wash-

ington school with the leaders, Mrs. Virginia Kessler and Mrs. Josephine Jung. The session

was devoted to the Girl Scout promise and laws.

Plans were completed for a train trip to St. Louis today and for a visit by a senior Girl Scout

Terry Blackwell served refreshments to Barbara Berry, Terry Blackwell, Linda Butler, Melissa and Rita Black, Jo Ann Cundiff, Chandra Black, Janice Galle, Debbie Jung, Betty and Linda Legens, Linda Lindsey, Shannon Marnion, Debbie McGovern, Cheryl Medford, Nancy Tucker, Cynthia Tadlock, Sherry Thack, Ruby Tate, Janice Whitford and Marlene Riggs.

VISITS RELATIVES
Mrs. Hagop Manogian, 931 Niedringhaus avenue, returned home Monday from Mounds, Ill., after attending the funeral of her cousin, Victor Dunning.

In Elco, Ill., she saw relatives and friends.

Mrs. Manogian was accompanied by Mr. and Mrs. Floyd Thompson, Harry Thompson and Mrs. Donald Thompson and children.

A Junior Girl Scout troop met at Washington school Tuesday with the leader, Mrs. Rosemary Thompson. Preparations were made for a train trip today to St. Louis, where the group will have dinner. They will be accompanied by Troop 160, ideas were given for swaps for "Junior fun day," and the girls made stipends.

The closing was by Connie Evans, who led the flag pledge, and Christina Hoffman, who led "Taps."

Those present were Sheila Hubbard, Marlene Moehle, Cynthia Baker, Roselle Wilcox, Pat Nolen, Nancy Neger, Debra Presley, Janet Laswell and Melanie King.

Brownie Troop 109 met Tuesday evening at the community center with Mrs. Mary Thompson and Mrs. Vincine Zerlan. The pledge of allegiance and Brownie promise opened the meeting.

Each girl exhibited rocks and sticks found during a nature hike. Gifts were made for Mother's Day. The Brownies dismissed with "Goodnight Brownies."

Present were Evelyn Baker, Darlene Berry, Minnie Brankov, Linda Cook, Kati Domitrovich, Lucinda Ebling, Cheryl Evans, Pamela Farver, Mary Juhasz, Kathy Keunhoff, Lou Ann Kiesel, Julie Mendoza, Vicky Petrillo, Barbara Pickett, April Reagan, Vicky Skerle, Barbara Speich and Mary Ellen Zerlan.

Granite City PRESS-RECORD

Thurs., April 29, 1955 Page 19

MORE ABOUT GC Council
(Continued from page 1.)
of Wabash avenue and 20 feet for the widening of Pontoon road.

Approved by Planner
The Plan Commission after a study of the project pointed out to the council it meets city requirements in all phases and that the executive director of the Southwest Illinois Metropolitan Area Planning Commission had recommended. "In summary, our suggestion is that the commercial zone be extended to the west line of the nursery on Pontoon road to a reasonable depth and that the remainder of the property west from that line be Wabash avenue be rezoned to a garden-apartment density (20-30 family per acre) multiple family district." The 63 apartments were scheduled to rent for \$145-\$165 a month.

The rejection of the Plan Commission recommendation was by a vote of 12-0, with Alderman Stenberg voting for the project. He told the Press-Record, "I voted for it because engineers said it could be properly drained and served with existing sewers. The planning expert said it was a proper development for the area, an architect said the design was an asset to the area and the financing was feasible."

"I also believe the council should provide the city with a government of the people and not a government of the gallery," Stenberg added.

Voting against the zone change recommendations were Aldermen Norm, Partney, Rutledge, Skush, Whitmer, Bessrich, Bartosik, Johnson, Bergfield, Boyd, Thompson and Pence. Aldermen Moellen and Dallas had left the session at 10 p.m. to go to work and were not present for the vote.

Pay Increases
The pay increase for the mayor was approved by a vote of 11-0-3 with Aldermen Norm, Bartosik and Boyd opposing it. Partney did not vote.

Moellen and Dallas had left the session at 10 p.m. to go to work and were not present for the vote.

A move was made to conform with the city's salary schedule. The annual town meeting April 6 when the salary for tax assessor was jumped to \$3000. The council had approved a \$480 annual increase last month, increasing the salary of Assessor-elect James Barton, who takes office in January, to \$7680.

The move failed to materialize Monday night, but was renewed last night when 11 council members met in session as the town board of auditors. The \$900 salary figure was proposed but the 6-5 vote failed to give it approval.

Also last month, the council increased the pay for City Clerk-elect Pendleton from the present \$4200 to \$4800. In addition, the clerk's annual income includes fees that average about \$3800.

County Spelling Bee Set for Friday Night
The annual Madison county spelling bee sponsored by the county chapter of the Knights of Columbus will be held at 8 p.m. Friday at St. Peter & Paul parish hall in Collinsville.

Winners and runner-up of local bees representing the seven K. of C. councils in the county will participate.

Representing the council here will be Sheila Simmons of St. Mark's school, who won the Quad-Cities parochial school championship on April 11, and Karen Cowan of Sacred Heart school, who was the runner-up.

Serving as an alternate will be James Frey of St. Elizabeth's school, who finished third here.

The announcer will be Vincent Lohman, Collinsville grand knight and chapter president. Cash prizes will be awarded.

BROKAW-MARTIN WEDDING ANNOUNCED
Announcement has just been made of the marriage April 24 in Hamel, Ill., of Miss Nancy Marie Martin of that city, and Norman John Brokaw, a son of Mrs. Edward Bruggen, 1312 Eighteenth street. The ceremony took place at a Lutheran Church in Hamel.

The bridegroom, who has been employed at Jack's Mid-town Barber Shop, has accepted a position in Chicago and will leave Friday. He will be joined by his wife at the completion of the high school year.

SWIU Officials, County Board To Plan Opening of Campus
Southwestern Illinois University officials will meet with members of the Madison county board of supervisors at a dinner session this evening at an Edwardsville restaurant.

John S. Rendleman, SWIU vice-president for business affairs, said the meeting will be devoted to a discussion of opening the new campus in September.

Construction on initial central campus buildings is nearing completion, with the John Mason Peck Classroom Building and the Elijah P. Lovejoy Library to be finished during the summer.

A portion of the science building is to be ready for use in September. Other buildings also are under construction.

STAR SPANGLED HISTORY OF U. S. SAVINGS BONDS

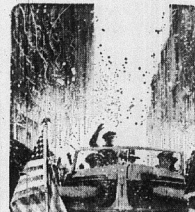

How they've served America and Americans for 23 years

May 1, 1941—The President buys the first Series E Savings Bond. Thousands of Americans follow his lead.

1943—Everybody's buying Bonds and promoting them. By the end of the year, Americans own \$16 billion worth.

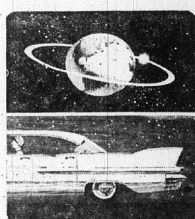

1945—War ends. Production turns to consumer goods. Savers cash Bonds for things they want—and then keep right on saving.

1948—The "New Look" is in, but U. S. Savings Bonds are an established style. E Bond holdings now top \$32 billion.

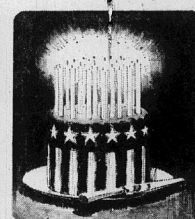

1952—Fighting continues in Korea. Bonds help defend freedom again. Series H Bond introduced as companion to E Bond.

1957—Cars sprout fins, Sputnik orbits, Braves win World Series, savings in E and H Bonds top the \$41 billion mark.

1960—July 4, the U. S. flag adds its 50th star. Bond-buying Americans hitch their wagons to all 50 of them.

May 1, 1964—The Savings Bond program is 23 years old. Americans now own over \$47 billion in Bonds—a record.

Madison

MRS. LENA WILLIAMS
1638 Sixth Street
TR 7-10317

MADISON BAND HONORS
ACCOMPANIST, SENIORS
Mrs. Cora LaMond, who has
served for 12 years as piano
accompanist in the Madison school
system, was presented with a
farewell gift Sunday during a
concert given by the Madison
high school band under the di-
rection of William F. Ledbetter.
An audience of more than 300
attended.

The event, held in the high
school gymnasium, also honored
13 senior band students who will
graduate in June. They include
Nola Bachman, Diane Blanton,
Sharon Burton, Judy Cross, Ron
Davis, Jill Hamilton, JoAnn
Jackson, Catherine Lewis, Dick
Mandler, Sheila Orbanovich,
Harold Pinkley, Theda Puckett
and Gail Stagnaro.

In keeping with the concert
theme, "A Sunday Afternoon
With Music," the band played
several selections, including
"Highlights From Carousell," by
Rodgers and Hammerstein, "Vic-
tory At Sea" by Rodgers, "Se-
lections From Mary Poppins" by
Sherman, "Street Scene" by
Newman and "Joshua" ar-
ranged by Yoder.

A baritone trio, which re-
ceived a "first" award in the
contest at a state contest in Mount
Vernon, played "Aurora" by
Mevette. The trio consisted of
Nola Bachman, Stephen Shipoff
and Ron Williams, accompanied
at the piano by Leslie Hulse.
Band members were dressed
in formal attire and a spring-
like scene was depicted with
numerous bouquets of fresh
flowers arranged on tables about
the room. Refreshments were
served following the concert.

DAY AUXILIARY PLANS
HOSPITAL PARTY

The Disabled American Vet-
erans Auxiliary met Monday
evening at the DAY hall, 1117
Sixteenth street with the com-
mander, Mrs. Irene Niehaus, in
charge. Mrs. Dorothy Best, chap-
lain, gave opening and closing
prayer.

Plans were made for a "hospi-
tality party" next month at
St. Elizabeth Hospital where
members will spend a day help-
ing and visiting patients.
Others present were Mesdames
Heleen Miller, Bertha Kichler,
Lola Hays, Lillian Heffley, Marie
King, Wilma Dortch, Sadie
Peacher and Louise Schellert.
Games were played and prizes
were awarded to all. Hostesses
for the meeting were Louise
Schellert and Bertha Kichler.

Gary Wright, 731 Twenty-
eighth street, returned to classes
at the University of Illinois Mon-
day after spending an Easter vaca-
tion at home with his parents,
Mr. and Mrs. Harold Wright, his
sister, Phyllis, and brothers, Mar-
lin and Randy.

Cadet Girl Scout Troop 231
met Monday at Prather Junior
high school cafeteria with the
leader, Mrs. Norma Walton.
The girls reviewed "program
plans," worked on challenges
and discussed a mother-daughter
trip and camping.

Scouts present were Vicki An-
tonopoulos, Vicki Basan, Reba Ha-
ncock, Debra Huckleberry, Wal-
ter Jones, Sharon Joyce, Pamela
Kessler, Donna Kevenhoff, Linda
Lipe, Ely Rugin, Sharon Smith,
Paula Walto and Pamela West-
brook.

DUAL BIRTHDAYS
OBSERVED AT PARTY

A birthday dinner was given
Sunday at the home of Mr. and
Mrs. John Kampmann, 122 Kern
street, honoring Mrs. Margie
Ellsworth and Gene Kampmann.
Both received many gifts.

A decorated cake centered the
table and guests seated were
Mrs. Laverne Darnell and her
daughter, Debbie, and John
Chucolick of St. Louis, Mr. and
Mrs. Sam Mims and children,
Marilyn, Stephen, Danny, Jer-
ome, Kenny and Diane, of East
St. Louis, Mr. and Mrs. William
Bone and children, Betty June,
Oral, Kenneth, Harold and De-
bbie, of Granite City.
Harold Beserman and Charles
Ellsworth of Madison, Mr. and
Mrs. William Kampmann and
children, Billy, Kathy and John,
Mr. and Mrs. Richard Sanders,
Mrs. Myrtle Kampmann, Mr. and
Mrs. Robert Murray and chil-
dren, Cindy and Vicki, Mrs. Gene
Kampmann and daughter, Jean-
ne, and Margaret, Jackie and
Gary Kampmann, all of Venice.

MRS. BACKS ENTERTAINS
Mrs. Grace Backs, Fourth
street and Broadway, was host-
ess Monday evening at a meet-
ing of the Yak Yak club.
Games were enjoyed and prizes
were awarded to Mrs. Clara
Simmons and Mrs. Faye Smith.
A luncheon was served.

Others attending were Mrs.
Beulah Sizemore, Mrs. Dorothy
Scarlett, Mrs. Frances Cowley,
Mrs. Estella Bone, Mrs. Fern
McMonigal and Lonnie Smith.
Games for the next meeting
will be Mrs. Bone of Fourth
street.

FAMILY DINNER MARKS
RELEASE FROM HOSPITAL

Relatives and friends were on
hand to greet Mrs. Mary Sugg,
303 Fillmore street, on her re-
turn home from St. Elizabeth
Hospital. Mrs. Sugg, who had
sustained injuries in an auto
accident several weeks ago, was
released Sunday morning. A din-
ner was served.

These present were her sons,
Robert Sugg of Rhode Island,
Sgt. Harold Sugg, who recently
returned from Germany, Mr.
and Mrs. Donald Sugg of Mount
Clemens, Mich., and Richard
Sugg, who resides at home, her
mother-in-law, Mrs. Ellen van
Weess, of Mount Olive, a brother,
Mrs. Peggy Daggett and daugh-
ter, Belinda, of Collinsville, Mr.
and Mrs. John Boushard and
daughter, Tammy, Mrs. Earl
Boushard and sons, Mickey and
Billy, Mrs. William Brown and
children, Donald, Glenda and

Randy, Allen, Donald and Jo-
seph Hill, Mrs. Mary Billick, Mrs.
John Adkinson, Mrs. Leona
Hubbard, Miss Phyllis Hawkins,
Miss Sally Dorste, Mrs. Mavis
Brown, Mr. and Mrs. George
Hatchard and Mrs. Dale Hill and
children, Carolyn and Dale, all
of Venice.

CANASTA CLUB MEETS
WITH MRS. PURCELL
Mrs. Marge Purcell was host-
ess Monday evening at a meet-
ing of the Canasta club held at
her home, 1635 Sixth street,
Madison.

A dinner was served, after
which games were enjoyed.
Prizes were awarded to Mrs.
Elsie Canvor, Mrs. Dorothy
Copeland and the hostess.

Others present were Mrs. Rose
Ritz, Mrs. Bee Schaffner, Mrs.
Mabel McGee, Mrs. Ruth Cav-
ner and a guest, Mrs. Lenna
Williams.
Hostess for the next meeting
will be Mrs. McGee, 814 Third
street.

Former Resident in Hospital

Mrs. Edward (Grace) Ruwisch
of Pana, Ill., formerly of Gran-
ite City, is seriously ill in Huber
Memorial Hospital in Pana
where she was taken following
children, Donald, Glenda and
a stroke the past week.

GIRL SCOUT LEADERS
COMPLETE PLANS
Neighborhood Five Girl Scout
leaders met Tuesday morning
at Nameoki Presbyterian Church
for their monthly meeting.

Mrs. Brinkmeyer, chairman,
presented and announced "Junior
fun day" May 1 at Camp Lakota
for all junior scouts.
A "Cadette" camporee" June
11, 12 and 13, also at Camp
Lakota, was discussed. Girls
must register by May 17. The
leaders will supply further in-
formation. A bedroll or knap-
sack is necessary and fire start-
ers and a first-aid kit for each
troop are required. The girls
can bring as many "swaps" as
desired.

A meeting will be held May
18 at the First Presbyterian
Church, with two Cafeterias from
each neighborhood to complete
plans.

Neighborhood Five leaders
will hold their final meeting of
the year May 23 at 11 a.m. near
the Benton street side of Wilson
Park.

Proposed State Legislation

Senate Bill 634. Limits the liability of landowners who allow their land and water areas accessible to the public for recreational purposes.

S. 635. Gives fire district trustees authority to provide insurance and other benefits for employees.

S. 638-Simon, et al. Creates Commission on Compensation to Victims of Crises. Fifteen members, \$500 appropriation to next General Assembly.

S. 647. Establishes new rules for release of county jail prisoners to conduct their business or employment during reasonable hours.

House Bill 886-Requires notice by state 30 days prior to expiration of a driving license.

H. 887. Bans discrimination based on sex in wages or wage rates.

H. 891. Permits public information media to attend hearings when a child has allegedly committed an offense which is prohibited by an ordinance punishable by penitentiary imprisonment; allows publication of the child's name.

H. 892. Tightens procedures on filling prescriptions for narcotic drugs, including sealing by the prescriber with an embossed seal similar to that of a primary public.

H. 894. Requires free bus transportation for educable mentally handicapped children living more than a mile from school.

H. 899. Requires all public utilities except electric utilities to file with the state revenue department a statement of capital stock including revenue bonds issued within the state, broken down by counties, the state to certify the information to county clerks.

H. 906. Allows each state bank to establish one or more branches within the county in which its principal banking office is located.

H. 902. Allows use of Fair Employment Practices Commission facilities by the Equal Employment Opportunity Commission in investigating charges over which the Illinois EEPIC has jurisdiction.

H. 903. Forbids liquor license from "knowingly" selling or delivering alcohol to any person under 21.

H. 904. Bans denial of equal employment opportunities because of a physical handicap.

H. 907-Ralph T. Smith, et al. Permits an airport authority to develop public airports outside its corporate limits.

H. 910-928-Smith, et al. Transfers series of appointments by the county judge to the county board, with confirmation by county board.

H. 929. Empowers city officials to pass and enforce ordinances desirable to protect public health, safety, morals or general welfare.

H. 930. Empowers cities to license, tax or regulate any business, occupation or profession within the city limits.

H. 931. Exempts any person or firm having no established place of business within the city and already licensed at the county level.

H. 932. Authorizes cities to impose a tax on all occupations and privileges.

H. 933. Outlines procedure for appointing additional judges to the circuit court when the chief circuit judge considers that the maximum authorized by the constitution is inadequate; provides that the maximum number of judges shall not exceed 20.

H. 934. Authorizes use of electronic voting systems in which the voter marks or punches one or more ballot cards designed to be counted by data processing machines.

H. 940. Increases the terms of fire district trustees to two years, from six years (two and three).

H. 946. Requires that each election petition or nomination certificate include a statement disclosing the source of the candidate's income for more than 35% of gross income for the previous year (dollar amount need not be stated), plus actual biographical information on his activities or beliefs.

H. 947-Smith, et al. Provides for reducing the annual fee for reducing a commercial license to \$25 (now \$50) when vehicle is purchased "in the open market" (i.e., not a trade-in) and is less than 12 months old.

H. 948. Provides that no appeal may be taken from a trial court order to the appellate or supreme court after 30 (now 60) days from entry of the order; 20 days from appeal to the appellate court.

H. 950. 951. Provides that when a sentence for a state prison is run concurrently with a prior federal sentence, person is to be committed to custody of the U. S. attorney general.

H. 954. Provides for binding arbitration of state employees' grievances; specifies work not to exceed 40 hours a week and no overtime pay for overtime work.

House Resolution 89. Creates a committee to examine charges of public aid recipients.

House Joint Resolution 29. Proposes a constitutional amendment providing for municipal home rule.

HJR. 30. Proposes constitutional revision to permit classification of real property for tax purposes, with a distinction between income-producing and non-income-producing property, and the legislature permitted to amend with the personal property tax.

Dr. SIMS says...

SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

HISTORY TEACHES POLIO IMMUNIZATION LESSON

While Illinois is enjoying relative freedom from polio today, continued safety depends upon continued immunization.

Medical history teaches that polio comes and goes in waves—gives warning that the disease must be recognized as an ever-present threat.

Epidemic polio first aroused scientific attention when 44 cases were reported in Stockholm, Sweden, in the summer of 1887. Other outbreaks followed in northern Europe. When polio struck Sweden again in 1905, Dr. Oskar Medin and Dr. Ivar Wickman concluded that "epidemic poliomyelitis" was an acute infectious disease which was transmitted from person to person.

Mild Early Symptoms

The Swedish physicians learned that polio starts mildly like a common cold, with fever, headaches and general aches and pains, followed by stiffness, inability to move and in some cases paralysis.

Medical scientists suspected that it might be caused by one of the microbes discovered by Louis Pasteur, but the microbes hunters couldn't find it. It was not until 1908 that a virus was isolated from an animal in which they might concentrate their search.

But then, in 1908, Dr. Karl Landsteiner—an Austrian Nobel Prize winner—succeeded in infecting monkeys with the virus taken from the spinal cords of human polio patients. This initial breakthrough to the virus led scientists to find that the disease was being caused by viruses, rather than bacteria.

Allment Invades U.S.

Meanwhile, polio was invading the United States. In the summer of 1894, it struck 100 children in the little lumbering village of Otter Creek, Vermont.

But the epidemic disease did not make national headlines until it panicked New York City in 1916.

Cases began building up slowly in June. As newspapers printed each day's scores, parents stamped railroads and ferries to get their children out of the city—to find the disease in the outlying areas as well.

Frantic measures were taken. To stop the spread, certificates of health were required of those fleeing the city. Brooklyn police arrested 215 cats on the theory that animals were spreading the disease.

3800 Polio Cases in One Day

One official ascribed the scourge to a damp spring. Quacks offering phony protection against the disease were thoroughly frightened and confounded when 3800 new cases were reported on a single day in August.

Finally, the epidemic petered out with cool weather and the box score for the United States stood at 27,000 cases, 6000 of them fatal.

But the epidemic had contributed 4000 cases, including 2000 deaths, to the epidemic.

But then, in 1916, Dr. Karl Landsteiner—an Austrian Nobel Prize winner—succeeded in infecting monkeys with the virus taken from the spinal cords of human polio patients. This initial breakthrough to the virus led scientists to find that the disease was being caused by viruses, rather than bacteria.

Allment Invades U.S.

Meanwhile, polio was invading the United States. In the summer of 1894, it struck 100 children in the little lumbering village of Otter Creek, Vermont.

But the epidemic disease did not make national headlines until it panicked New York City in 1916.

Cases began building up slowly in June. As newspapers printed each day's scores, parents stamped railroads and ferries to get their children out of the city—to find the disease in the outlying areas as well.

Frantic measures were taken. To stop the spread, certificates of health were required of those fleeing the city. Brooklyn police arrested 215 cats on the theory that animals were spreading the disease.

3800 Polio Cases in One Day

One official ascribed the scourge to a damp spring. Quacks offering phony protection against the disease were thoroughly frightened and confounded when 3800 new cases were reported on a single day in August.

Hunters' Classes in May

Kiwanis Hear Pep Talk By Past District Officer

Granite City Kiwanis heard a membership pep talk by Marion Kudelick of Chicago, past district officer of the Kiwanis Illinois Eastern Iowa District, at a weekly dinner meeting held Monday evening in the Rose Bowl restaurant. The club also completed plans for two hunters safety instruction classes to be conducted in late May.

Eighteen members and two guests, Edwin Dastman and Arnold Cassens, both of Edwardsville, heard Kudelick describe the importance of encouraging new members at the local level and discuss the Kiwanis international convention to be held in July at New York City.

This year, Kudelick said, the occasion will be combined with the organization's golden anniversary and many commemorative events are being planned. Local delegates will be Michael Tondas and Alvin Gross.

Pete Jelen, who is coordinating the weapons safety project with conservation department of

officials, announced that William A. Sinkus, a hunter safety instructor with the Illinois Conservation Department, will conduct two classes May 24 and 25, at the local YMCA.

Adult males and boys, ten years and older, are eligible to participate, Jelen said. Those wishing to register should send a post card before May 19 to Roy Fidler, 1908 State street. The card should contain the participants' name, address, phone number and age.

Both classes will be held at 7:30 p.m. for two-hour periods. Jelen said that those who complete the course requirements will receive a National Rifle Association "Hunters Safety Handbook," a packet patch and a wallet card.

Instructors to teach weapons safety classes are needed, Jelen related, and adults who complete the course may be certified eligible to instruct junior participants. He stressed that no weapons are needed, as every-

thing necessary is provided by the instructor. After the course is completed, each participant will be allowed to shoot a gun under proper supervision. In the case of minors, a parental permission is required.

Melvin T. Gilie, program chairman, announced that Mrs. Evelyn Gavin, president of the Granite City Association for Aid to Retarded Children, will be guest speaker next Monday night in a special program devoted to mental retardation.

Mrs. Anna Michel, 77, Dies of Stroke

Mrs. Anna Frances Michel, 77, of 2433 Edison avenue, died in St. Elizabeth Hospital at 2 a.m. Tuesday following an illness of three months. Mrs. Michel suffered a cerebral hemorrhage on Jan. 23 and had been in a coma since that time.

She was a lifelong resident of Granite City and was the foster daughter of the late Mr. and Mrs. August Roth, pioneer settlers in the area. She was a member of St. John United Church of Christ and a member of the Ladies Guild of the church.

Granite City PRESS-RECORD

Thurs., April 29, 1965 Page 27

She also was a member of the Opti-Mrs. Club. She was the wife of Albert Michel, a grocer in the Quad-City area since 1911. He survives.

She also leaves a daughter, Mrs. Dorothy Geroff of Granite City; a son, Alvin Michel of Granite City; a brother, August Roth of Granite City, and a sister, Mrs. Amelia Giese of St. Louis, and four grandchildren. Funeral arrangements are given in today's obituary column.

Optimists Prepare For Bike Safety Week—May 3-9

Bicycle safety posters, bumper stickers and literature, which urge safe practices while bicycling, are being distributed this week to Quad-City school children. It is announced today by Ralph E. Frohardt, Coolidge junior high school principal and bicycle safety week chairman for the Granite City Optimist Club.

A proclamation decreeing May 3 to 9 as Quad-City Bicycle Safety Week was issued today by Mayors Leonard R. Davis, Stephen Maers, John E. Lee and Thomas Stouffer. The local observance is held each year in conjunction with a national safety program.

Unlike recent years, the Optimist Club will not conduct bicycle inspections at local school playgrounds during the week-long observance, Frohardt reports. However, he added, all youngsters are reminded to keep their bikes in good mechanical condition, to observe the rules of the road and to use safe and sound riding practices.

Motorists are likewise cautioned to use sound judgment when approaching children on bicycles, Frohardt said, especially with the advent of the spring and summer months and an increasing number of bicycles on the road.

Committee to Choose Armed Forces Queen

Selection of "Miss Armed Forces Day" from among five queens representing St. Louis area military installations will be made today by a citizens committee in St. Louis. Winner of the contest will participate in Armed Forces Day activities and other military events throughout the year.

Miss Donna Rose Miller, 19, of 1549 Sixth street, Madison was chosen "Miss Army" last week from among a field of seven competitors, each representing a different Army installation. Queens also were chosen from among candidates entered by Navy, Coast Guard, Marine and Air Force installations.

Armed Forces Week activities are to be held through the area May 8-16. The Granite City Army Depot will display a model of the local installation in St. Louis.

Guest Speaker Sunday At St. Peter Church

Dr. Huber Klennert, associate secretary of the Council for Christian Social Action of New York will speak at the 10:15 a.m. worship service Sunday at St. Peter United Church of Christ, 21st street and Cleveland blvd. Dr. Klennert will be the denominational representative at the Illinois South Conference of the United Church of Christ to be held at St. Peter Church in Centralia May 3-5. Rev. Baumann, pastor of St. Peter church, Rev. H. E. Wintermeyer, pastor emeritus of the church, Rev. Paul Surbey, pastor of St. John United Church of Christ and Mrs. C. G. Gleditsch, official delegate from St. Peter Church, will attend the meeting.

Psychology Students Set Hospital Visit

Addition to Honor Roll
Wilma Lemons and Meleida Foster were added to the list of 75 honor roll students for the fifth six weeks period at Madison Junior high school after the original list was in print, the school has announced.

Members of Grover Norwood's psychology class at Granite City State Hospital next Tuesday. They will view many of the facilities which they inspected at the Alton State Hospital in March as brain wave machines, occupational therapy shops and diagnostic wards, and will compare the urban and rural settings of the two hospitals. The State Hospital is holding open house next week, starting on Sunday.

Coed Heads Dormitory

Miss Ruth Maxton, daughter of Rev. and Mrs. David B. Maxton, 30 Oaklawn drive, has been elected president of Reeves hall dormitory at Cotley College, Nevada, Mo., for the 1965-66 academic year.

MASQUE & GAVEL MEMBERS at Granite City high school prepare to board the bus for their spring trip to New York City Monday. In the group are Sue Fogle, Cathy Parker, Carole Cuchna, Karen Fraley, Karen Bauer, Linda King, Connie Dean, Cathryn Coe, Linda Jungels, Linda Froenling, Lynn Craddock, Maryann Fehle, Ann Meyer, Delores Bounberger, Janie Townsley, Richard Blumenstock, Roy Talley, Gary Forhee, Bernie Halman, Jim Wittevoegel, Tom Miosky and Jerry Walters. Instructors with them are Mrs. Sonya Adkerson and Richard King, chapter advisor.

Gets Teaching Post

Karen Ritchey of Granite City, a senior at Western Illinois University, Macomb, has been employed as a physical education teacher at Pittsfield high school and junior high school starting in September. She is to be graduated from WIU in June.

Strings Concert Set Tuesday Night at GCHS

The orchestra at Granite City high school will present a concert at 7:30 p.m. Tuesday in the hand room. The public is invited without charge. The orchestra class, taught by Mrs. Esther Vasiloff who will conduct the concert, includes Phyllis King, Areda Moxey, Kathy Jones and Ruth Costello, first violins; Darrell Grindstad, Don Bode, Gary Forhee and Cindy Settemio, second violins; Alta Bollinger, Allison Wallis and Don Sherwell, viola, cello and bass.

Other violinists from Coolidge, Prather and Central junior high schools will participate. Selections will include "Student Concerto," "Wreutzer Ca-

Catalogs Available for Summer School at W. U.

Catalogs are now available describing day and evening summer classes at Washington University. More than 300 courses are listed in subjects as political science, art, Asian studies, physics, zoology and history will be offered in two day sessions and one evening session. The first summer day sessions will be June 14 to July 21 and the second from July 22 to Aug. 27. University College (night school) classes will be June 14 to Aug. 6. For information or a catalog, write to University College, Washington University, St. Louis.

price," "Lullabye" and "Rondo." Coolidge will provide a soloist for "Student Concerto."

GC Speech, Band, Vocal Groups on Spring Trips

A group of Granite City high school students is on the move today stay at the Palmer House in this and next week. Masque & Gavel currently is in New York City, the school band will leave Tuesday for New Orleans and vocal music students will leave Wednesday for Chicago.

The Masque & Gavel speech organization left Monday for a week-long trip and arrived Tuesday morning at their hotel. They toured the island that day, dined at a Greenwich Village restaurant and then attended the stage production of "Hello Dolly." Visiting with star Carol Channing backstage afterwards. On Wednesday they were scheduled to visit the United Nations Ambassador Adlai Stevenson and to tour the U. N. building, dine at another famous restaurant and then see "Incident at Vichy" at the Washington Square theater.

A day-time tour of Chicago is scheduled for Friday of next week and includes the Museum of Science and Industry, Museum of Natural History, McCormick Place and Shedd Aquarium. That evening the group will dine at the Black Hawk restaurant and see "The Sound of Music."

Singer Going on Tour

Richard McKinney of Granite City, a freshman at Simpson College, Indiana, Iowa, will be on tour with the college's Medical Singers May 3-7. The group will present concerts in Iowa and Illinois.

Zing into spring! in a new Chevrolet

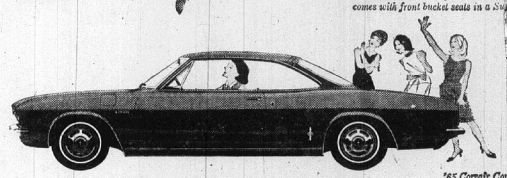

'65 Chevrolet Impala Sport Coupe
with the best word in body by Fisher craftsmanship

'65 Chevrolet Malibu 1-Door Station Wagon
one of three handsome mid-size haulers

'65 Chevy II Nova Sport Coupe—also
comes with front bucket seats in a Super Sport model

'65 Corvair Corsa Sport Coupe
now you can put up to 180 hp behind you

If you've been sitting tight waiting for just
your kind of car, with just your kind of power,
at just your kind of price—wait no longer!

Chevrolet. It's a bigger, more beautiful car this year. This is why that handsome silhouette could be mistaken for cars costing a thousand—even two thousand—dollars more.

Chevelle. This one's got lively looks, spirited power, a softer ride—and a remarkable amount of room atop a highly maneuverable wheelbase. No wonder it's today's favorite mid-size car.

Chevy II. No car so trim looking has a right to be so thrifty. But thrifty it is, with brakes that adjust themselves, a long-lived exhaust system, and lots of other money savers.

Corvair. Ask any '65 Corvair owner how it feels to drive a car with such easy steering, tenuous traction and responsive rear-engine power. And be prepared to do a lot of listening.

Fashion Show Planned May 8 by YMCA Youths

Junior Tri-Hi-Y and Hi-Y clubs at the YMCA will present a style show featuring the latest spring and summer fashions for teenagers at 1:30 p.m. May 8 in the "Y" auditorium.

Complete ensembles ranging from swim suits and sports wear to sun dresses and formal evening attire will be shown by members of Delta Chi, Sigma Rho and Alpha Phi. Girls clubs and by boys of the Junior Y's Gups club.

Fashions are from local stores which have arranged to photograph the youthful models in front of various landmarks and familiar backgrounds on Saturday.

Delta Chi members are in charge of the fashion part of the program. Gail Loper, a member of this club, will serve as narrator and will work with stores and models in writing commentaries.

To Display Posters
Posters are being made for display in public places by Delta Chi girls and by adult members of the YMCA Wednesday art class.

All of the clubs will participate in the program which will include variety and comedy acts, dramatic skits and musical selections. Rehearsals will begin Saturday.

The fashion show brings to a close the recent junior high modeling course conducted at the "Y" during the last 10 weeks. Mrs. Gemma Norman was in charge.

All club members will be admitted without charge, but non-members and adults will be charged 35 cents, with proceeds to go into the club program.

Free Sodas, Cookies
Free sodas and cookies will be served after the program. The teen town lobby will be closed during the program but will be open later for members and their guests. Dancing, to discotheque music and games will continue until 5 p.m.

The junior high club program.

ISU Closes Enrollments For Most Departments

Illinois State University, Normal, announced today that it will not accept any more applications for next fall from new freshman students or transfers with fewer than 30 semester hours of credit in 16 of its 19 departments after 5 p.m. Monday.

Not affected are departments of physical sciences, industrial arts and men's physical education. The university said the limitations are necessary because of a large increase in approved applications and the limit in physical facilities and teaching staff.

Those who cannot be accepted for the fall semester may ask for consideration for the 1965-66 school year.

Roca Club Plans Car Wash for Cancer Drive

The Granite City Roca Club will hold a car wash in connection with the local cancer drive from 9 a.m. to 5 p.m. Saturday at the Standard service station, Namoki and Fehling roads.

Tickets may be obtained from any member at \$1 per auto.

2 Area ISU Students Help Children Learn

Two area students are among nearly 150 at Illinois State University, Normal, who utilize their spare time each week in a special volunteer project to aid school children having difficulty with class work.

They are Daniel Hordelsky, son of Mr. and Mrs. John Hordelsky, 2617 Wayne avenue, a sophomore in mathematics, and James Cromer, son of Mr. and Mrs. James J. Cromer, 1707 Rhodes street, Madison, a freshman with an undecided major.

Members, all studying to be school teachers, give several hours each week to work with students at the Illinois State Soldiers and Sailors Children's school in Normal, giving individual assistance and encouragement. The program is soon to be expanded to other schools in the university area.

Academic Award Given

Kathy One of Granite City was among students at Eastern Illinois University to receive academic awards for excellence among speech majors and minors.

Pledges Sorority

Miss Leanna Palsgrove, a daughter of Mr. and Mrs. Herbert Palsgrove, 2311 Pontoon road, has pledged Delta Zeta social sorority at St. Louis University, where she is a freshman student.

Carol Noeth Selected May Day Queen at GCHS

Carol Noeth, daughter of Mr. and Mrs. Ted Noeth, 3321 Washburn avenue, has been elected May Queen at Granite City high school and will reign over May Day festivities on May 13-14 at the school.

Members of her court will be Jonette Leatherman and Lynn Shepard, first attendants, and Pat Mitchell and Donna Miskell, second attendants. Other candidates were Mary Church, Barbara Haneline, Mary Lynn Jensen, Jane Pollitt and Clara Takmanjan.

The father of the new queen is a GCHS chemistry teacher. The theme of this year's May Day performance is "Come to the Fair." The girls will practice for the senior procession on Monday, and a dress rehearsal for the performers will be held on May 11, followed by a matinee for grade school children at 3:45 p.m. May 12.

Judy Kersch is the general May Day chairman, and other chairmen are Linda Koser, continuity; Sandy Canlie, rehearsal and housing; Sandy Stallings, costumes; Mary Lananan, stage and lighting; Marsha Galloway, music and dance; Cindy Tenney, music and dance.

GCHS Shops Enter Industrial Exhibits

Granite City high school industrial arts projects are on display today, Friday and Saturday at the regional industrial education exhibit at Southern Illinois University, Carbondale. The shop classes sent 32 projects, 46 of which are from the vocational drafting department.

Drafting entered 13 electronics drawings, nine sheet metal patterns, 14 architectural drawings and 10 machine drawings. Vocational machine shop sent two group projects, Howard Farney, Joe Hans, Jerrell Hayes, Ervin Konkel and Steve Sattich created a jig saw, machined completely from raw materials. It has an arm made from a square bar of magnesium which is heliarc welded together. A steam valve pulley by Tim Gibson, Farney, Joe Grabowski and Sattich also was developed from raw materials.

Other projects in the exhibit are a Tesla coil by Tom Rotter, a feather flexure by Jack Miller and a display of various welding joints used in arc welding by Hans. Top exhibits at Carbondale will be entered in the state exhibit May 13, 14 and 15 at Northern Illinois University.

75 on Central Honor Roll; Seven Earn Straight A's

Seventy-five students, including seven with all A's, were named on the Central Junior high school honor roll for the fifth six weeks period.

Making straight A's were Barbara Azari, seventh grader, and Patricia Brule, Delores Hodesky, Elaine Menke, Sherry Mitchell, Carol Schmidt and Barbara Settle, eighth graders. Other seventh graders and their grades are: five A's and a B, Jane Kinkel and Rhonda Miller; four A's and two B's, Lynn Jacobsmeier and Richard Lesko; three A's and three B's, Mike Lancaster, Larry Miller, Daniel Minken, Linda Moore, Carol Pritchard, Richard Sappington, John Tolbert and Mark Twietmeyer.

Three A's and two B's, Elizabeth Baker, Kirk Danner, Linda Mills, Mary McGuire, Sandra Ruhl and Anne Perill; two A's and four B's, Monica McGee, Barbara Mihu and Linda Stambaugh; two A's and three B's, Charles Burgess, Nathan Johnson, David Lore, Mildred Lovejoy and Robert McCarty.

Miss Mary Agnes Kula Wins \$500 Scholarship

Miss Mary Agnes Kula, daughter of Mr. and Mrs. Thomas Kula, 2443 Delmar avenue, has been awarded a \$500 scholarship to the St. Louis College of Pharmacy.

She was among 15 high school seniors in Illinois and Missouri to receive the scholarships based on grades, character and aptitude.

Prather, Coolidge GAA Hold Play Day Saturday

Ninth grade members of GAA at Prather and Coolidge Junior high school held their spring Play Day Saturday on the Prather grounds. Mrs. Mary Lou McCarty, Prather GAA advisor, was in charge.

Activities included softball, volleyball, relays and progressive games. Lunch was served by Prather girls in the cafeteria, followed by group singing and games.

The Play Day was held to promote appropriate sports programs for girls, and to provide an opportunity for social activities for ninth grade girls before they enter high school.

Committee chairmen were Claire Evangelual, decorations; Cheryl Clark, registration; Linda Green, officials; Kathy Hulsaz, games; June Fowler, food; and Jerri Hicks, programs.

It was one of two such events scheduled each year. In the fall the Coolidge girls serve as the hostesses with Prather members as guests. Miss Anna Marie Harn, Coolidge GAA advisor, and Miss Barbara Kerch, physical education teacher at Coolidge, assisted as chaperones.

One A and five B's, JoAnn Clark, Dennis Garver, Nancy Gilcho, Wesley Hubble and Jackie Ross. Two A's and four B's, Vicki Haan, Mike Christopher and Murphy, Jeff Helton, James Napper, Dellish Dorste, Marsha Hackett, Tom Kasproovich, Odell Davis, Leslie Hulsaz, Debra Miller, Huggins, Janet Kulazek, Gladys Iyer, Pat Sanders, Keith Wilk-Oli and Barbara Washenko.

Sophomores are Olivia Hamilton, Judy Barr, Tom Moslander, Jeff, Helton, James Napper, Dellish Dorste, Marsha Hackett, Tom Kasproovich, Odell Davis, Leslie Hulsaz, Debra Miller, Huggins, Janet Kulazek, Gladys Iyer, Pat Sanders, Keith Wilk-Oli and Barbara Washenko.

Ethiopian Student Visits Interact Club

Solomon Tekeste of Ethiopia, a student at St. Louis University's Parks College of Aeronautical Technology, was guest speaker at a meeting of the Granite City Interact club Monday night in the office of the board of directors of the First Granite City National Bank.

He discussed various features of his country.

During the meeting, the club discussed the Interact state convention to be held May 7-8 at Springfield.

His wife, Mrs. Moss, the former Miss Sue Ellen Werth, is a teacher at Harris school in Madison.

Denner, Mary Ann Downs, Ruth Duffer, Gayle Hagnes, Beverly Mathis, Steve Carl Pogorelec, Linda Besser, Mary Ann Black, Beverly

Chamber Planning Paint-Up, Fix-Up, Membership Drive

The May dinner meeting of the Tri-Cities Chamber of Commerce board of directors at 7 p.m. Tuesday, May 4, at the Rialto will include eight reports and a discussion of scheduled events. President Carl E. Mathias announced today.

Committees on the agenda are Congressional action, membership education, industrial development, membership relations, transportation and highways, citizenship and program.

In addition, the U.S. Chamber of Commerce meeting held at Washington, D.C., from Sunday through Wednesday this week is to be discussed. Mathias and Manager Fred C. Goewert attended.

Downtown Improvement
Projects currently in progress include a year-round downtown improvement campaign to be inaugurated with annual "paint up, clean up, fix up" activities in May. Chairman is Anthony E. Michel, new head of the Downtown Development Committee. Goals include more attractive building fronts above the first floor, safer handling of flammable materials and elimination of litter and trash.

Annual membership drive of the Chamber of Commerce will be held Wednesday, May 12, under the leadership of James G. Holland Jr., membership chairman. Teams will compete in signing members for the 1965-66 year.

Latest group of new members consists of Klines Interior Decorating & Gift Shop, Sun-Care Building Service and Kentucky Fried Chicken Take-Home.

Class Visitation
The education committee currently is studying proposed participation by Chamber members in a Granite City school district program in which non-school personnel will visit classes to present talks, show photographic slides or display hobby or vocational exhibits.

The military affairs committee has arranged for Chamber members to attend and sponsor Army Depot guests at a banquet honoring about 60 outstanding soldiers at 7 p.m. Thursday, May 13, at Sunset Hill Holiday Inn. Annual Chamber "play day" will take place Thursday, June 3, at the Sunset Hill Country club.

Directors of the Chamber have formally commended William Kozyski, a director, for seeking public office. He was elected to the Granite City park board this month.

Both the transportation-highways and tourism committees have been seeking reversal of the Illinois highway division decision eliminating Bypass 40 (now Route 122) and Bypass 66 (now Route 157).

Stores to Close on May 31 and July 5
Retail stores in the Quad-City area will be closed May 31 in observance of Memorial Day and on July 5 in observance of July 4th since both of these holidays fall on Sunday this year, the Associated Retailers announced today.

Bernard S. Miller, president of the Retailers, pointed out that both Memorial Day, May 30, and July 4 are legal holidays and that retail stores, according to custom, have been closed on these days.

Because both holidays fall on Sunday this year, stores will be closed the following Monday after each date, he said.

Chapter of TOPS Planned for Quad-Cities

Quad-City women interested in forming a local chapter of TOPS (Take Off Pounds Sensibly) are invited to call Mrs. Bridget Hill at Edgewood 7-4225, who serves as county captain for the organization in Madison, St. Clair and Monroe counties. She resides at 811 Sparks street, Cahokia.

Mrs. Hill reports that a number of inquiries from the Quad-City area were made recently. She added that a physician's approval is required for membership.

Lincoln Place Lots to be Sold

GC Plans Special Fund for New Fire Station in Nameoki

A special fund to erect an additional fire station in the Nameoki area with a central location at the vicinity of Johnson road and Edgewood drive was planned Monday night by Granite City council members.

To establish the fund, the city plans to sell vacant lots in the block owned by the city when the veterans' quarters but housing project was established shortly after world war II. The block is between Cedar and Poplar streets at Oak street in Lincoln Place.

An ordinance was approved to call for bids for sale of about 24 lots, but it was learned Tuesday that the city council may have to restudy the sale since about 12 or 13 lots may be taken for the new Riverfront-Granite City Expressway that will skirt the Granite City Army Depot fence. The bid call is to be delayed until it is determined exactly

how many lots can be sold. It is the desire of the city to offer the lots to individuals in Lincoln Place and West Granite who are required to move their homes because of the new highway.

Receipts from the lot sale are to be earmarked to acquire a site and go toward the construction cost of a new fire station similar to the one completed last week in West Granite. The West Granite station cost \$46,000 to build.

Master Plan Report
A report on work toward updating the city's master growth plan was submitted in a letter to the council by William E. Hoelscher, chairman of the City Plan Commission, and was placed on file.

Hoelscher said David Morgan, former Plan Commission chairman, has the duty of coordinating the materials to be supplied by the city to Southwestern Illinois Metropolitan Area Planning Commission for updating the plan and also to get the cooperation of the park and school districts. The park board has approved financial participation. Also, the Associated Retailers are considering a study of the central core of the business district.

The updating program is to cost \$14,650, with the federal government to pay \$9765 as a tax grant to the city. The SWIMAPC also will keep the city's growth map up to date after it is completed. The city's application for \$4485 federal tax funds has been filed with the Housing and Home Finance Agency.

Zone Change OK'd
The council approved a recommended zone change submitted by the City Plan Commission for Orville Deltour to operate a glass sales office at 3050 Iowa street. The tract at Nameoki road and Iowa street is to be rezoned from R-3 residential to C-1 commercial.

Notification was received by the city of an interim order by the Illinois Commerce Commission giving GM&O Railroad permission to consolidate passenger trains between St. Louis and Chicago that pass through Granite City. The city still may file objections, since the interim order was issued to permit the railroad to consolidate the trains on April 25 with the start of Daylight Savings Time.

Consolidated are trains No. 5 and 7 which now leave Chicago

at 11:25 p.m. DST and arrive in St. Louis at 7:08 a.m., and trains No. 6 and 8 with a departure time from St. Louis at 10:30 p.m. and arrival in Chicago at 6 a.m.

Referred to the Police committee was a request from a burglar alarm system to install an alert box in the police station for a downtown store.

Eastern Orthodox Church Plans Open House Sunday

The Nativity of the Virgin Mary Eastern Orthodox Catholic Church, 416 Ewing avenue, Madison, will hold open house Sunday from 5 until 8 p.m. at the new church building at Fifth street and Ewing avenue. The original structure was erected in 1900.

The main altar will be consecrated Sunday, June 6, by His Eminence Archbishop John of Chicago at a Pontifical Liturgy. Fr. Alexander Schenjemine, Dean of St. Vladimir's Orthodox Sem-

inary, New York, will be guest speaker on that occasion.

The parish consists of 65 active families. The pastor, Fr. Theodosius, extends an invitation to the public to visit the new church and its facilities.

Granite City

SOCIETY

Dow Diamonds Plan Banquet

The newly-elected officers of the Dow Diamonds were in charge last night at a business meeting held in the plant cafeteria of the Dow Metal Products Co.

Plans were made for a mother-daughter party and banquet and after other business was transacted the club members participated in a taffy pull. When done the candy was cut and wrapped for the group to take home.

Following the 5:30 dinner Mrs. Kay Deering, president, called the meeting to order and appointed her chairman for the year.

Mrs. Betty Smalle, ways and means chairman, reported the proceeds from the Easter candy sale would be used for the club's charity projects.

Eighteen were present at last night's meeting. The hospitality committee was composed of Mesdames Verneta Sepmeyer, Deering, Karen Hoer and Marie Byer.

Mrs. Baker Will Represent PEO

An evening meeting of Chapter HT of the P.E.O. Society was held Monday in the home of Mrs. G. E. Halmya, 1919 Cleveland blvd.

The coming state convention to be held in Peoria Wednesday through Friday was discussed and plans were made for Mrs. H. Baker, president, to represent the local chapter.

After the business session Mrs. Halmya introduced Billy Tegel, an organ pupil, who presented a varied program.

Refreshments were served to 35 members, and announcement was made of the next meeting May 10 in the home of Mrs. Wesley Loux in St. Louis county.

MR. AND MRS. RONALD F. WACHTER, who were married Saturday at St. Elizabeth Catholic Church. The bride is the former Jean Schumacher, a daughter of Mr. and Mrs. Wilford Schumacher, 1611 Pontoon road.

Miss Lilienthal Is Engaged

Mr. and Mrs. Louis Lilienthal, former Granite Cityans now residing at 7464 Gannon avenue, University City, have just announced the engagement and coming marriage of their daughter, Miss Marcia Lilienthal, to Stephen J. Kohler, whose parents are Mr. and Mrs. Nikolaus Kohler, Arnold, Mo.

The bride-to-be was graduated from the Granite City high school and is presently employed as a medical secretary at Jewish Hospital. Mr. Kohler attends St. Louis University and will enter the field of civil engineering upon graduating. The wedding of the couple will take place Sept. 4.

PICTURE FRAMES CUSTOM MADE. G.C. GLASS CO. 18TH & EDISON

WILL ATTEND MOTHERS DAY FESTIVITIES AT U. OF I.

Mrs. Willard Hancock, Mrs. Kenneth Hill and Mrs. Elmer Eckert are among the local mothers who will attend the Mother's Day festivities on the University of Illinois campus in Champaign Saturday and Sunday.

David Hancock, Miss Deane Hillen and Robert Eckert are students there.

VFW Auxiliary To Install May 22

The Veterans of Foreign Wars Auxiliary will hold an installation of officers May 22.

Those taking office will be Shirley Leisner, president; Margaret Champion, senior vice-president; Ethel Snyder, junior vice-president; Edith Rodgers, treasurer; Edith Rodgers, chairman; Margaret Jones, co-treasurer; Dorothy Richardson, guard; Catherine Rojas, three-year trustee; Shirley Leisner, Frieda House, Lois Cox and Betty Baunz, county council delegates; Shirley Leisner, Margaret Cham-

plin, Edith Snyder, Edith Rodgers, Frances Aldridge, Irene Steele, Lois Cox, Frieda House, Nancy Earnley, Shirley Yates and Cleo Schnefke, District 12 delegates. Three new members have been enrolled. They are Thelma Judy, Marie Judy and Norma Thule.

LYDIAN CLASS HOLDS MEETING

The Lydian Class of Third Baptist Church met Tuesday evening in the home of Mrs. Betty Smalle, 3241 Aubrey avenue.

The opening prayer was offered by Mrs. Marie Johnson and the hostess presided over and refreshments were served.

Up and Down Votes on Street Resurfacing Jobs for GC

An extension of the contract for resurfacing the 2600 block of Benton, Cleveland, Delma and Edison avenues to include all of the 2500 block of Benton street was approved by a two-thirds vote of the Granite City council Monday night, but at least a dozen other resurfacing projects were turned down.

The contract had included asphalt resurfacing of just the 100-foot section in the 2500 block of Benton street, but it was decided that because of the damaged condition of the concrete pavement to resurface the entire block at an added cost of \$4750. Authorization also was given to extend the 2600 block resurfacing of Benton street to include the 27th street parkway intersection.

The original \$15,000 contract with MacIver Asphalt Co. is being financed with sales tax funds, since the city's motor fuel tax funds are nearly depleted and a reserve MPT fund must be built up to finance the city's share (10%) of the Namek road widening project. A financial report on MPT is due from the engineer within the next few weeks.

27th Parkway Rejected

Efforts were made to expand further the MacIver contract at present unit prices and while the firm has its machinery here. However, these efforts failed for the south 27th street parkway pavement between Benton and State streets and a 102-foot section of the north parkway pavement with both projects estimated to cost \$5844. The Boyle Spaulding avenue intersection also was submitted for resurfacing at a cost of \$1436, but was rejected.

Because of the broken condition of the pavement, it was proposed the projects be included in the new budget, possibly to be financed with a monthly allocation of sales tax receipts.

Resurfacing of 24th street between Benton and State street also was proposed, and a resolution is to be prepared to call for bids on the project, estimated to cost \$12,500.

MPT vs. Sales Tax

Alderman Bartosik pointed out the concrete at the 23rd and Delmar avenue intersection is crumbling and will have to be replaced. However, objections were voiced by Alderman Thompson and several others who had objected to financing the 23rd and Adams street track removal and drainage line installation with sales tax funds. They suggested a wait until sufficient MPT funds are available.

Alderman Johnson said there are about 15 streets in the Eighth Ward that need resurfacing and improvement, but that he felt such work should be carried out with proper funds—MPT rather than sales tax.

It was noted that \$246,500 sales tax funds were transferred to other city general fund accounts last week for general operating costs.

Other aldermen called for resurfacing projects. Bartosik and Whitmer said sections of State street, including the 23rd block are in bad condition. Bartosik also listed the 24th and Iowa streets intersection, and Alderman Rutledge pointed out Pontoon road from Namek road east to the city limits is in need of extensive repair or resurfacing.

About \$246,000 MPT a Year

The city gets about \$240,000 MPT each year, and about \$80,000 is allocated for the annual summer maintenance of unimproved streets.

Air Pollution Topic For GC Toastmasters

"What Can We, As Individuals, Do About Air Pollution," was the title topic introduced by James Dimitroff, at a 6:30 o'clock dinner meeting of the Granite City Toastmasters' Club held Monday in the Grand Cafe. Earl Lee served as the presiding officer.

Ten members participated in the discussion and also heard a talk by Dr. Leo M. Coleman on "What We Want: Dr. Claude Hiles acted as toastmaster and Dimitroff was this week's general evaluator.

Consult

About This Question:

"Spring heralds a new planting season . . . a new home improvement and sport season. Is this the logical time to have all insurance checked by your local agent to be sure that coverages are adequate?"

LUEDERS

AGENCY
1930 Edition
TR. 7-0388 — GL. 2-4174

Partney and Nann urged for consideration of the 27th street parkway resurfacing. Partney stressed the asphalt firms are conducting a price war and that a delay could result in paying twice the amount at a later date. The council also rejected bids from three firms to provide 100-pound sacks of rock salt for use on streets in winter. Nann, chairman of the Street committee, noted the \$19,600-a-ton bid was the same as turned down last month. The council had received four identical bids from four firms—each \$19,600—and three of the firms submitted identical bids a second time. He suggested waiting until mid-summer to readvertise for the 180 tons. The new bids were by the Morton, International and Cargill salt companies.

Council approval was given an offer by American Steel Foundries for use of a tract of 15 ground south of Niedringhaus avenue off Walnut street for the city to store its cinders and salt.

The city had been leasing a tract for \$30 a month from Lybarger Material Co. at Niedringhaus and Adams street, and was asked to move off two months ago. The steel plant will permit the storage without charge.

Authorized was preparation of a resolution to accept the conveyance from the East Side Levee & Sanitary District of a 2500-foot strip of ground at the St. Clair avenue bridge over the drainage ditch to widen the bridge and include a walkway. Vehicles were damaged.

Granite City PRESS-RECORD
Page 36 Thurs., April 29, 1965

Auto, Cycle Collide

A car driven by Mrs. Margaret Johnston, 2601 Iowa street, and a motorcycle operated by James R. Arnett, 5244 Lakeview drive, Pontoon Beach, collided at 5:40 p.m. Monday at Namek road and Jill avenue. Mrs. Johnston said that while she was making a left turn off Jill, her view was blocked by autos making right turns onto Jill. Both vehicles were damaged.

Mitchell Autos Uncapped

Four hubcaps were stolen from a 1957 auto owned by Alfred Mitchell, 2112 Illinois avenue, and two from a 1957 auto owned by Larry Mitchell, 2031 Illinois avenue, since last Friday morning while the cars were at their homes, they reported at 6:20 p.m. Monday.

Man Faces Two Charges

Roy Wiggins, 45, of 2021 (rear) Russell street, was arrested Monday at home on charges of creating a disturbance and intoxication. He was released on \$50 cash bail at 10:10 a.m. Tuesday pending a hearing on May 17.

City to Condemn 6 More Buildings

An ordinance calling for condemnation of six buildings, termed dangerous by the city building inspector, was approved Monday night by Granite City council members and will be turned over to special attorneys for legal processing.

Listed in the resolutions were the properties at 726 Twenty-eighth street; 730 Twenty-ninth street; 2135 Fourteenth street, 2309 Harding avenue, 2911 Cayuga street, and 2905 Edwardsville road.

Alderman Partney, chairman of the council's Planning committee, reported that 10 condemnation cases turned over to Atty. Morris Chapman for condemnation were in the process of being closed and that seven petitions of condemnation had been filed.

A request was made by Alderman Bergfield for the property at 2207 Benton street to be boarded to prohibit entry by youngsters, and Alderman Skelish made a similar request for a building at East 24th street and Ridgeland avenue. The requests were referred to the city attorney for a legal opinion.

WILLIAM E. WINTER, JR. of 19 Miami court, a life-long Granite Cityan, who has been named vice-president and marketing manager of Seven-up Co. at the firm's international headquarters in St. Louis. He will have the responsibility for supervision of the soft drink firm's market research, sales promotion and public relations activities.

Ronald Coss Candidate For Doctoral Degree

Ronald Coss, a son of Mr. and Mrs. John Coss of Albion, N. M., residents of Granite City until a short time ago, is a candidate for the doctor of education degree in a special program at the University of New Mexico College of Education.

Coss is a former teacher and assistant principal at the Santa Fe high school.

Address Change

Raymond F. Hoffman, who was involved in an accident last week in Madison, resides in Madison and not in the 3200 block of Wayne avenue, the Press-Record was informed yesterday.

Proclamation

Whereas, The Optimist Clubs of the Quad-City area are observing Bicycle Safety Week from May 3-9, 1965; and

Whereas, Safe and sound safety practices are necessary for all who ride bicycles; and

Whereas, True concern for the youth of our land is the responsibility of all people of our country;

Now, therefore, We the mayors of the Quad-Cities do hereby proclaim May 3-9 of the present year as "Bike Safety Week" and request the proper observance of the occasion.

LEONARD R. DAVIS, Mayor, Granite City.

STEPHEN A. MAERAS, Mayor, Madison.

JOHN E. LEE, Mayor, Venice.

THOMAS STALCOFF, Mayor, Ponton Beach.

City Liquor License Ok'd for Geo. Keith

A new city liquor license for opening Mrs. Murphy's tavern at 27th street and Washington avenue by George Edward Keith, 33, of 2701 Washington avenue, was approved Monday night by Granite City council members.

The application and accompanying \$2000 bond by Western Surety Co. were submitted to the council by Alderman Bartosik, who is deputy liquor commissioner. The tavern has been closed for several years.

Also approved was a license renewal for Mrs. Dorothy Flanery for the tavern at 1000 Niedringhaus avenue, formerly known as Kelley's. Bartosik explained Mrs. Flanery has operated the tavern and recently was married. The new application includes her husband, Lester Flanery.

HUGGING A LIFE-SIZE mechanical lion, which is among 60 circus animals on display at Bellefonte Village Tri-City Groceries is Peggy Barnes, 7, daughter of Mr. and Mrs. Alvin Barnes III, 3400 Franklin avenue. Her father is merchandising manager for Tri-City Grocery.

Mechanical Circus Animals on Display

A display of 60 life-like mechanical circus animals valued at \$25,000 is on display at the Bellefonte Village Tri-City Groceries Co. store and will be there until May 8, it was announced today by S. E. Pershall Jr., president of the firm.

The display includes life-size lions, tigers and even a monkey beetle band. The animals and characters that were imported from West Germany walk and dance and even growl.

4000 Bags of Clothing Collected by Scouts

Cub and Boy Scouts in the Cahokia Mound Council collected over 4000 bags in a special "good turn" project for Goodwill Industries, tabulations showed this week.

Nearly 2000 scouts took part in the special project along with 100 leaders. The council headquarters are at 1338 Niedringhaus avenue, and the executive is Eugene A. Coe.

Each scout unit which participated will be awarded a special citation of merit from Goodwill Industries. The material collected will be repaired and refurnished by handicapped people for sale in 39 Goodwill stores in Illinois and Missouri.

Goodwill Industries is a non-profit agency providing training, rehabilitation and sheltered employment for crippled and disabled people. A self supporting agency, it derives over 97% of its operating budget from the sale of discarded items.

Roger E. French, Goodwill executive director, today praised the Cahokia Mound Council for its efforts. "The handicapped people at Goodwill Industries warmly appreciate the excellent work done on their behalf by the clubs, scouts and leaders, and thank the people who filled the scouts' bags."

In another ruling, Clark held that a county treasurer appointed to fill a vacancy will be eligible to be elected for the next succeeding term. Treasurers cannot succeed themselves.

Wins Hubbell Sales Award

H. Milton Gehlert of Kirkwood of Hubbell Metals Inc. received a watch last night for being named salesman of the year for the firm. It was awarded by N. A. Rehmquist, general sales manager. The presentation was during the 40th year kick-off sales meeting at the University Club, St. Louis.

12 New Street Lights Ok'd by GC Council

Installation of 12 street lights was approved Monday night by Granite City council members with approval of a resolution authorizing Illinois Power Co. to place the fixtures.

Locations designated were—4027 Old Alton road, on Harvey place 200 feet east of Sara avenue, at the rear of 3804 Namoki road, 2531 Benton street, 2425 Hodges avenue, 2325 East 23rd street.

In the downtown alley at the rear of the burned out J. & R. Motor Supply Co. store, in the alley at August street between 2401 Edwards and 2400 East 25th street, on the north side of Terminal avenue in the 2100 block, on the south side of Terminal avenue opposite 2201, at the rear of 2210 Namoki road and at the Niedringhaus 22nd-Washington avenue intersection.

Announce Birth of Son

Mr. and Mrs. Berle Travis, 2035 Cleveland Blvd., are announcing the birth of a son, their first child, April 25, at Jewish Hospital in St. Louis. The infant weighed seven pounds, nine ounces and has been named Berle Travis Jr.

Annual Purchasing Soars to \$89 Million in Quad-Cities

Quad-City area purchasing in 1964 totaled nearly \$90 million, shattering all previous highs, Illinois Department of Revenue records disclosed today.

The \$89,277,567 figure — well ahead of the \$67,444,433 mark for 1963 — reflects greatly increased activity in the manufacturing field plus a healthy gain in food buying.

A breakdown of 1964 purchasing, with 1963 totals given in parentheses, follows:

\$21 Million for Food
General merchandise \$5,108,093 (\$4,322,281); food, \$21,007,249 (\$19,881,814); drinking and eating places, \$8,242,332 (\$5,290,092); apparel, \$2,791,043 (\$2,556,014); furniture, household goods and radios, \$2,305,473 (\$2,919,319); hardware, lumber and building supplies, \$4,802,604 (\$3,078,149); automotive and filling stations, \$14,532,134 (\$13,847,503); retail-wholesale stores, \$4,877,344 (\$4,080,233); miscellaneous, \$837,258 (\$894,474); and manufacturers, \$23,873,832 (\$8,655,551).

Previous yearly buying totals were \$60,859,473 in 1962, \$63,984,123 in 1961, \$79,278,194 in

1960, \$58,679,800 in 1959, \$52,186,281 in 1958 and \$57,981,509 in 1957.

The \$89,277,567 total for 1964 consists of \$77,377,830 in Granite City (\$55,628,138 in 1963); \$9,289,951 in Madison (\$8,804,576 in 1963); \$1,750,644 in Venice (\$2,194,276); \$336,949 in Mitchell and \$72,771 in Pontoon Beach (\$817,448 Mitchell area listing in 1963).

Reports by 825 Firms
Reporting firms increased from 549 to 564 in Granite City and from 169 to 177 in Madison but dropped from 80 to 71 in Venice and from 11 to eight at Mitchell, Pontoon Beach, previously unlisted, had five reporting establishments.

Listings by cities for 1964 follow:

Granite City — \$4,386,719 general merchandise, \$16,213,397 food, \$4,624,060 drinking and eating, \$2,724,187 apparel, \$2,232,747 furniture, \$4,419,622 hardware, \$12,861,839 automotive and filling stations, \$3,633,335 retail-wholesale, and \$384,880 miscellaneous and \$23,697,040 manufacturers.

Madison — \$695,620 general, \$3,579,810 food, \$1,334,226 drinking and eating, \$66,855 apparel, \$972,139 furniture, \$2,213,186 hardware, \$1,033,716 automotive, \$1,027,054 retail-wholesale, \$148,558 miscellaneous and \$137,390 manufacturers.

Venice, Mitchell, Pontoon Beach — \$24,301 general, \$1,136,637 food, \$163,031 drinking and eating, \$786 furniture, \$68,201 hardware, \$368,648 automotive, \$216,733 retail-wholesale, \$97,841 miscellaneous and \$38,883 manufacturers.

Mitchell — \$412,900 general, \$404 food, \$49,509 drinking and eating, \$22,599 hardware, \$262,029 automotive, \$221 retail-wholesale, \$3414 miscellaneous and \$518 manufacturers.

Pontoon Beach — \$71,705 drinking and eating, \$3901 automotive and \$2164 miscellaneous.

THINGS HAVE CHANGED at the original Reese Drug Store, 1322 Niedringhaus avenue, since the first of the eight-store chain opened in 1923. Top photo shows brightly-lighted interior after remodeling just completed. Old soda fountain formerly occupied corner area in background. Below is exterior of the store in photo taken about 1930. Sharp-eyed readers will notice a bicycle used for prescription deliveries in lower left-hand corner. The chain was started by Walter A. Reese, still president of the organization.

Mrs. Martha Walk, 84, Dies; Ill 3 Years

Mrs. Martha Walk, 84, of 3318 Franklin avenue, died at 9:15 a.m. Tuesday in St. Elizabeth Hospital following an illness of three years. Death was due to infirmities. She had been a patient in the hospital five days. Mrs. Walk was born in Green Pond, Ill., and had been a resident of Granite City for 40 years. She was a member of the Central Christian Church. Her husband, John Walk, preceded her in death.

She is survived by two sons, Stanley and Lee Walk, both of Granite City; two daughters, Mrs. Ida Brummell of Granite City and Mrs. Trula Lupke, St. Louis; two brothers, John Springer of Winchester, Ill., and Charles Springer of Pleasant Hill, Ill.; a sister, Mrs. Lottie Barber of Toans, seven grandchildren, eight great-grandchildren and four great-great-grandchildren.

Funeral arrangements are given in today's obituary column.

Driving Charge Fined

William N. Knapp, 1737 Venice avenue, was arrested at 7 p.m. Monday at Pontoon road and South street on a careless driving charge. He was summoned for a hearing on May 5.

Two St. Louis Men Charged with Burglary

Burglary warrants were served Monday afternoon on Robert Steele, 30 and I. W. Shavers, both of St. Louis, in connection with the theft of portable television sets from a store at State Radio & TV Co., 1936 State street.

Two of five television sets which were missing were found in their 1955 auto when it was stopped by Venice police at South Fourth street and Lumbard avenue minutes after the burglary.

Hearings were set for May 23 by Magistrate Merlin Hiscott, and Shavers was released on property bond at 7:25 p.m. Monday. The complaints were signed by John Gitchoff, assistant state's attorney.

Wire Hubcaps Stolen

Three wire wheel-type hubcaps were stolen from a 1963 auto owned by Donald Thomas, 2217 Bryan avenue, between 8:30 and 10:30 p.m. Monday while the car was parked in front of his home, he reported at 6:05 a.m. Tuesday.

"I told Alice we would meet her at Luci's, the air conditioned shop," says Perky Peggy

Peggy picks the stores that show her some consideration. Air conditioning keeps her new facial looking dew-fresh. She enjoys the regulated comfort of cool surroundings. She shops longer (who wants to go back out into that unbearable heat?). She sees more. Buys more. Isn't this what air conditioning in business is all about?

This is the year to air condition your business

MR. BUSINESSMAN, this really is the year for air conditioning. Think it costs too much? Takes too much space? Not any more. Commercial air conditioning today is "compact" . . . both in size and price.

For an objective appraisal of your business air conditioning needs . . . free of cost or obligation . . . just return this coupon.

PTA a Necessity, Trimpe Tells Leadership Seminar

"PTA is a Necessity" was the topic of a talk by Wilbur R. L. Trimpe, Madison county superintendent of schools, who addressed the second leadership training seminar of District 29, Illinois Congress of Parents and Teachers, held Monday night at Webster school, Collinsville.

More than 50 PTA representatives participated in the second school of instruction. An equal number attended the initial session last week in Granite City and a similar group is expected for the final meeting tonight in Jerseyville.

Mrs. Ida Hanfelder of Granite City, District 29 director, welcomed the delegates and introduced Trimpe and Mrs. Eula Brader of East Alton, ICPPT vice-president, who discussed the leadership training program.

A number of local PTA officials were in charge of the individual workshops. They included Homer Johnson, who taught the president and vice-president session; Mrs. Kathleen Tadlock, secretaries; Mrs. Lucille Caban, treasurer; budget and finance; and Mrs. Mary Jesse, legislation.

Other workshop instructors, all of whom reside in Wood River, were Mrs. Arlene Ritter, membership and hospitality; Mrs. Anna Lippold, program; and Mrs. Martha Holland, publicity.

Annual FSA Dinner Meet Held; Directors Elected

Approximately 115 persons, including 13 from the Quad-Cities area, attended the eighth annual dinner meeting of the Family Service Agency of the Quad-Cities, held Monday night in the Gateway room of the Illinois Club.

New board members elected during the session included Fred C. Gower, executive director of the Quad-Cities Chamber of Commerce; E. G. Holzweg, Collinsville, and Mrs. William J. Reichert, Belleville.

Michael H. Dalton, executive director of the agency, said the opening of branch offices in Granite City and Belleville, and the changing of the agency's name to the Family Service Agency were the two most important events of the year. The agency's name was changed to more accurately describe the actual area served by the agency, which includes Granite City, Madison, Venice, Collinsville, Belleville and the East St. Louis area.

Gold pins bearing the official symbol of the agency were presented to Marshall McKinney, chief federal probation officer, and Edward F. O'Malley, an attorney, who are retiring from the board of directors after six years of service.

Robertson & Speaker, Randolph Baker, Granite City attorney, was principal speaker on the topic, "The Law and Social Work." Robertson was followed by two discussants, Judge William P. Fleming, assistant circuit judge in charge of the family division in St. Clair county, and Teryl W. Francis, Granite City attorney and member of the agency board.

Robertson declared that the good attorney goes farther than the good citizen in helping to solve legal problems by attempting to aid in the welfare of his client, and that the Family Service Agency is a very useful resource to the attorney, not only because of the wide variety of social problems it is equipped to handle, but also because the agency will accept the responsibility for ascertaining the exact nature of the client's problem and referring him to a specialized resource if that is necessary.

"In referring clients to the Family Service Agency of Southwestern Illinois, the lawyer has the security of knowing that this agency is accredited by the Family Service Association of America and therefore is a professional, qualified person in the field of social problems."

Re-elected Board Officers

At a board meeting following the membership session, Edwin J. Sixum was re-elected for a second one-year term as president of the board of directors. Also as vice-presidents were Mrs. Harold Baker, Teryl W. Francis and Rev. Robert Gordon. Mrs. Edward F. Holman was elected end-of-the-month a d made executive vice president. Warren Jordan was elected treasurer and Mrs. Fred Teer, secretary.

The Family Service Agency of Southwestern Illinois is financed by the United Funds of the Quad-Cities area, Collinsville, Belleville and the East St. Louis area.

False Inhalator Call

An ambulance, the fire department and police rushed to the 2200 block of Rock road at 12:30 a.m. Wednesday on a report that a man had suffered a heart attack and was on the sidewalk. It turned out to be a false alarm, and no one was located.

Red Power Mower Stolen

A red, 19-inch power mower was stolen from the carport at the home of Jack Lindsay, 2888 Idaho avenue, between 3 and 5 p.m. Tuesday, it was reported to police.

Industrial Atmosphere is Metro-East Objective

The recently formed Illinois Metro-East Industrial Development Corporation intends to create an atmosphere attractive to industry seeking new locations, as well as to present industries, which may have future expansion plans, Chester Baker, president of the development commission, told the Granite City Rotary club at a noon luncheon in the YMCA Tuesday.

Baker outlined the history of the organization which he said covers seven communities area in Madison and St. Clair counties, and pointed out that it recently rejected a request from a similar organization on the west side of the river to join with it in an overall industrial development. He explained that the Metro-East commission plans to devote its full time to development in our own area.

He said organization of the commission was conceived by an official of the Illinois Power Co., which has put much investment and work into providing substantial power supplies which are one of the main attractions to industry. The physical makeup of the commission also was detailed by Baker who said the commission, which now is incorporated, has a board of 21 persons, consisting of three members from each of the seven communities in the area.

Baker explained that the organization does no actual planning for development of industry, but will assist those persons engaged in such development, making suggestions for locations.

City Bill List, 15-Day Payroll Total—\$55,245

A one-week bill list totaling \$19,389 and a \$35,856 half-month payroll were approved Monday night by Granite City council members, and the bill list included end-of-the-month a d made executive vice president. Warren Jordan was elected treasurer and Mrs. Fred Teer, secretary.

The Family Service Agency of Southwestern Illinois is financed by the United Funds of the Quad-Cities area, Collinsville, Belleville and the East St. Louis area.

2 More Stop Signs in GC; 25 mph Speed on Adams

With apologies, Granite City council members approved two new stop sign locations Monday night and set a 25 mph speed limit for Adams street between 22nd and 27th streets. The present speed limit is 30 mph.

The new stop signs are to be placed on Kate street at Lincoln avenue to replace yield right-of-way signs and on 21st street at Lee avenue.

Alderman Bartosiak, who submitted both requests for the stop signs, said the intersections are in the vicinity of grade schools and that he has been asked for several years by residents of the areas for the in-

stallations. "I realize we're going to have a committee to study stop signs and that these might be the first to be yielded down, but 21st street is heavily traveled and is crossed by children from McKinley school and at Kate street there is Webster school only a short distance away and motorists are ignoring the yield signs," Bartosiak said.

Alderman Dallas said he also has been asked for the stop sign on 21st street at Lee avenue because of speeding vehicles.

Fines for stop sign violations are to range from \$5 to \$200 and for the Adams street speed violation, \$5 to \$25.

RECEIVING AWARD at Eagle Court of Honor Tuesday evening is Boy Scout Bruce Giuka of Troop 15, a son of Mr. and Mrs. George Giuka, 3149 Davis avenue. The award was presented by Scoutmaster Earl McMillan. On the left are the parents of the Scout.

Eagle Scout Award For Bruce Giuka

Boy Scout Troop 15 held an Eagle Court of Honor Monday evening for Bruce Giuka, son of Mr. and Mrs. George Giuka, 3149 Davis avenue.

The ceremony, which took place at the Eagles Home on Madison avenue, was the first individual Eagle Court of Honor held by Troop 15.

James Spinks, assistant scoutmaster, welcomed the parents and guests and the color guard, composed of Keith Nagy, Bobby Mobley, Kyle Tarpoft and Dick Duff, presented the colors. Rev. Frank Pierce, pastor of the Jamez Methodist Church, gave the invocation.

Assistant Scoutmaster Alex Tarpoft gave the Eagle qualification and the Scouting history of the honored Scout who was escorted to the speaker's rostrum by an honor guard consisting of the three Eagle Scouts of Troop 15, Kendall McMillan, Keith Nagy and Alex Tarpoft. Mr. Giuka

Henn, Cahokia Mound vice-president, and Edwin Menke, Univah District Scout executive, gave the Eagle challenge and charge. The award was presented by Earl McMillan, and the Scout pinned a miniature medal on his mother.

Other guests of honor present were Victor Drexler, Cahokia Mound Council Advancement chairman; Edward Stone, Univah District commissioner; Charles Rodell, advisor of Post 15; Earl Earls, committee chairman of Troop 15; and Harry T. Gray, neighborhood commissioner.

Mrs. Mary Tarpoft, president of the Mother's Auxiliary, presented the honored Scout with an Eagle flag. A reception was held by the Auxiliary following the ceremony.

Committee to Study UF Allotments is Set Up

Appointment of the Admissions and Distinctions Committee of the Tri-Cities Area United Fund, which recommended allotments for participating agencies, was announced this week by Joseph Glik, president of the fund.

Requirements for participating services are studied by the committee which then recommends allotments to the United Fund board of directors. The board, in turn, totals allotments and sets the goal for the campaign which is held in October.

Members of the committee, under Leo Konzen, chairman, include Dale D. Bartels, Carl Bencinas, William F. Hoelscher, Mitchell Mianski and John Ryan, all of whom served last year. Russell Johnson who served on the committee in 1962, also has been appointed.

Other committee members serving for the first time are Miss Dorothy Davis, Melvin T. Gille, Arthur Griffin, John H. Haynes Jr., William L. Milnor, Mrs. Helen Peters, Fred Pietapak and Col. Charles B. Schweizer.

Plan Organization Meet Konzen, in accepting, chairman of the committee, called for attendance of all members at an organization meeting to be held within the next week to acquaint each with the procedure to be followed in studying agency requirements.

"The strength of the United Fund way of supporting health

and welfare services lies in the assurance it gives that the money raised is actually needed and will be put to the most essential uses," Konzen said.

"This committee represents the parents and the young, large and small. The members examination of agency programs and allotments is actually the entire community looking over their shoulders, and it is important that the entire community be represented."

"We have recruited an excellent committee and I look forward, to working with them," Konzen stated. Conferences between the committee and participating services will be held in June 1965.

S. Africa Missionary To Speak Here Sunday

Rev. Vernon Pettenger, an Assemblies of God Missionary who has lived most of his life in South Africa, will be guest speaker Sunday at 10:45 a.m. at Community Heights Assembly of God Church, Faith and Buxton avenues, the pastor, Rev. Glenn Utley, announced this week.

A film which highlights the revival services and the baptism of 258 Christians in Sharpeville, Africa, only a few weeks after the riots. The film also features a series of game pictures, including a sequence filmed while an elephant charged the car in which Mrs. Pettenger was riding. Both Rev. and Mrs. Pettenger were born in South Africa where they received their early education. They came to the United States in 1947 and attended Central Bible Institute in Springfield, Mo. He is the son of a missionary.

Alton Hospital to Mark Mental Health Week

The Alton State Hospital will hold open house Sunday from 1 to 4 p.m. as a featured attraction for this year's observance of Mental Health Week in the south-central area.

The event will be sponsored jointly by the hospital, local Mental Health associations and several area public welfare agencies. Other activities from May 1 through 7 will include an institute on psychiatry and religion on Monday, and Career Day on Wednesday. Representatives of the hospital will join Gov. Otto Kerner and others in Springfield Thursday for the governor's annual Mental Health dinner.

Highlighting Sunday's "Neighbor's Day" program at the State Hospital will be exhibits in the recreation hall depicting services provided for patients. Displays of St. Clair and Madison county public welfare agencies

which will show the benefits they offer patients after discharge, also will be presented. Agencies contributing to the program are the Mental Health clinics from Madison and St. Clair counties, Illinois State Employment office of Alton, Specialized Services of Alton and the Social Security office of Alton. Also collaborating are the Mental Health associations from Madison and St. Clair counties.

On Monday two speakers from the Lutheran General Hospital at Park Ridge, Ill., will address clergymen taking part in the Institute on Psychology and Religion. This program will be from 9 a.m. until 3 p.m. Wednesday will be Career Day which is designed for showing a high school, college and nursing school students the types of jobs open in the field of mental health. It convenes at 9:30 a.m. in the recreation hall and will continue until 3:30 p.m.

Venice Party Urges Active Citizen Role

A "bury the hatchet" request to the Citizens Improvement Party was voiced this week by the New Frontier Party, which opposed incumbents in the April 20 Venice city election. Five incumbents were re-elected but two New Frontier aldermanic candidates were elected.

"We feel that we waged a vigorous fight, the American way, and not a dirty one," the New Frontier statement related. "Now we are asking the supporters of the Citizens Improvement Party to bury the hatchet and join with us to make a better community in which to work and live. Let us be proud that we live in Venice."

"We made campaign promises in our platform and, with the help of all factions, we intend to stick by our promises."

"Our victories will open a broad new horizon for the citizens of our community. We can now face the rest of this county and say that 'we too are working toward better government' and proudly stick our chests out. We feel that we will have an aggressive, efficient and progressive city government in which each and every citizen plays an integral part, something which has been sadly lacking in the past years."

"We are very proud of our supporters, who have contributed to one of the greatest upsets in the history of this community. We are so proud of the citizens that it could be very easy to forget everything and wall our praises. However, we have jobs to perform and we intend to execute these duties in a manner which will make all proud of our victorious candidates."

"We want Mr. and Mrs. Chi-

CONSTRUCTION is to be started about June 1 for the new Metromart department store shopping center at the northeast corner of the intersection of Route 111 and U.S. Bypass 66-40 east of Mitchell. Oscar W. Winchell, St. Louis, who is the developer, said construction will take about four months. All main departments of the 120,000 square foot store have been leased. There also will be a satellite food market, automotive service, a cafeteria, offices and service shops and a parking area for 1700 autos.

Permanent Injunction Against Karate Firm

Attorney General William G. Clark has been granted a permanent injunction in Sangamon county circuit court restraining Judo Karate Contract Division, Inc., formerly operating karate schools in Springfield, Granite City, Alton, Rockford and Kane, from "further acts of fraud and deception" in its dealings with customers. It was announced this week.

The company is a Missouri corporation. The injunction directed Judo Karate Contract Division, Inc., to make repayments in varying amount to 34 pupils who have paid sums to the school.

It also permanently restrained the Cosmopolitan Acceptance Corp. from taking legal steps to collect promissory notes signed by persons doing business with the karate corporation. Clark's suit was filed under the Act to Prevent Consumer Fraud.

Granite City PRESS-RECORD

Thurs., April 29, 1965 Page 47

Five Fined \$25, Costs For Gaming Stamps

Five area holders of \$250 federal gaming stamps have been fined \$25 and costs by magistrates in Edwardsville for failing to register them with the county clerk.

An arrest warrant was issued for another for failure to appear in court as summoned. He is Robert Odum, operator of the Country Kitchen on Highway 203 near Madison. He is a former state trooper.

Two defendants pleaded not guilty and the cases were continued two weeks. They are the Disabled American Veterans club of Granite City and Ralph Cloutier, operator of Ralph's billiard room, Alton.

Pleading guilty were Nick Coucolas of Nick's diner, Venice; John Fincher of Nick's garage, Mitchell; Marguerite Lewis of Ed & Margie's tavern, 200 Hildebrand avenue, Cloverleaf; Edward Kassel of Kassel's truck stop, Collinsville road; and Les Rose Kelly, Top Flight cafe, 5923 Collinsville road, Nameoki township.

HUNDLEY PONTIAC CO.

Dear Customer:

The Broadway Hardware Store, Venice, Illinois will discontinue collecting electric and gas bills effective Friday, April 30, 1965.

For your convenience, you may pay your electric and gas bills at Hieken's, 408 Madison Avenue, Madison, Illinois starting May 1, 1965.

If you are paying by mail, please send the payments to:

Illinois Power Company
P. O. Box 778
Granite City, Illinois

Payments may also be made in person at the Nite-Depository at our Granite City Office.

For assistance on an electric or gas service problems, please call Triangle 6-1280.

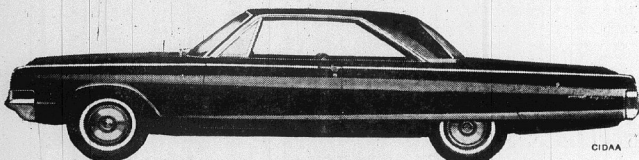

Thank you.

ILLINOIS POWER COMPANY

Take a close look: See how many former Ford and Chevy owners are now driving Chryslers,

then you'll know why we're offering such good deals. Come in and see.

We're having our greatest sales year—thanks, in part, to a lot of former Ford and Chevy owners. Here's one reason they bought: nearly half our '65 models are actually priced just a few dollars a month more than the most popular smaller cars, comparably equipped. And that small difference includes power steering, power brakes, automatic transmission, radio, heater and V-8 engine. Say you're driving a Ford now? How'd you like to drive a Chrysler tomorrow? See us today and make the move up. It's never been easier.

The Quilting circle of Hope Lutheran Church will meet today at the home of Mrs. Charles Noelle, 2109 Lombard avenue. Quilting projects will be continued by the ladies. The group is not engaged in a fund-raising project as previously reported.

SHOWER BRIMBLE-ELM JUNE BRIDE-ELECT

A surprise pre-wedding party was held Sunday afternoon at the home of Mrs. Judy Range, daughter of Mr. and Mrs. Leroy Range, 2436 Grand avenue, who will be married June 12 at Sacred Heart Church to William A. Russell, Jr., son of Mr. and Mrs. William A. Russell, 5122 Aubrey avenue.

The miscellaneous shower was given by Mrs. Theresa Walenback, Mrs. Essie Mae Jones and Mrs. Olga Goodrich at the Capenters' hall.

Games were played and prizes were awarded by the hostesses who served a dessert course. Many gifts were received by the bride-elect.

Among the guests were Mesdames Wilma Russell, Julia Range, Marilyn Bromberger, Mrs. Gerni, Peggy McKee, Orville Scott, Chris Range, Annette Scott, Cleda Bequette, Edith Phoebe, Frank Blumke, Don St. Louis, Marion Blumke, Mary Ebbelhaug, Grace Grimm, Carrie Crouch, Betty Pieper, Mesdames Layola, Klobner, Mary Struttman, Maxine Butler, Arlene Jones, John James, Clyde Myers, Marlene Boyer, Mrs. Neill Russell, Lavette Irvine, Russell Smith, Peggy Morrison, Charles Melkert, Neelma Jones, Mary North, Kenneth Gussell, Adeline Schwander and Misses Cathy Papp, Karen Lunsiewicz, Carol Pieper, Sandra Rasmussen and Madlyn Gage.

BRIDAL SHOWER HONORS MISS CAROL WERNER

Miss Carol Werner, Maryville, will be married Saturday to Ralph William Burton, Edwardsville, also a former local resident, at Edwardsville, was home Sunday at the home of her grandparents, Mrs. Lill Barton, in Maryville.

Hostesses for the shower were Mrs. Barton, Mrs. Jackie Schellenger, Granite City, and Miss Werner's aunt, Mrs. Eldora Peckham, Kirkwood, Mo. Games were played and prizes were given. Many gifts were received. Quad-Cityans attending were her mother, Mrs. Gertrude Fernbach, Mrs. Tina Gellertman, Mrs. Julia Barton and daughter, Barbara, Mrs. Frances Coleman and daughter, Carol, and Misses Cynthia and Cathy Werner, Charlene Fernbach and Younger Schellenger.

Brownie Troop 889 opened a weekly meeting Tuesday afternoon with the pledge of allegiance and Brownie promise.

Registrations were collected for Brownie "revue day" to be held at Lee Park May 13 from 9:30 a.m. to 3:30 p.m. Deadline is tomorrow.

The Brownies finished their stipends and started preparations for gifts to be given to their mothers on Mother's Day. The meeting was closed with "Tape."

Those attending were Prescilla Butler, Marie Rodeck, Judith Lane, Linda Bennett, Vicki Boyer, Deborah Brown, Betty Douglass, Rebecca Flanagan, Shannon Harnett, Tommy Handberg, Donna Hottel, Dany Langston, Jane Lomax, Tamara Metz, Judy Parrish, Carla Sencker, Barbra Tunkley, Rene Williams and the leaders, Mrs. Myra Parrish and Mrs. Nancy Nierce.

The next meeting will be held at Maryville school on May 4.

Industrial Safety Seminar To be Given by State

John E. Callerton, director of the Illinois Department of Labor, is inviting plant safety engineers, safety supervisors, foremen, labor safety and insurance representatives to a three-day industrial safety seminar in Belleville, May 3 through May 7. The seminar will be held at the Augustus restaurant.

The Illinois Department of Labor is presenting the course jointly with the U.S. Department of Labor's Office of Occupational Safety.

Subjects to be covered include accident causes and calculation of injury rates, supervisory responsibility for safety, basic concepts of machine guarding and handling of materials, hazards in connection with working situations.

The next circle meeting will be held in the home of Mrs. Arboogast, Rural Route One, May 25.

UNDERGOES EYE SURGERY
Rex Hogan, 2140 Clark avenue, returned to his home Wednesday following major eye surgery at Inglewood Word Hospital.

Don St. Louis, 1001 Wood River, returned to his home after a week to ten days before returning to work at Shell Oil Co., Wood River.

MEXICAN THEME FOR CUB PACK
A monthly meeting of Cub Pack 22, sponsored by Probaud PTA was held Tuesday evening at the school. Chairman Leo Manogian presided. Den Eight, under the direction of Mrs. Mary Curp, opened the meeting with a candle ceremony.

Arthur Stawar presented the following boys with awards: Jeff Whiting, Steve Miller, Terry Hollis and Billy Skarball. The cubmaster presented a Nolein award to Victor Reznack.

The program was presented by Mrs. Laura Saxena's Den Six, which gave a play, "South of the Border." Den Six boys broke a pinata for other members of the pack.

Den Eight closed the meeting with a "living circle" and refreshments were served. The next meeting will be held at the school May 25.

Dangerous Drugs, DISCARD!

Old prescription bottles with remnants of unused medication are dangerous to you and your loved ones. Deterioration, due to age, exposure to humidity or heat often changes potency. Insufficient amounts remaining lead to inadequate treatment and even failure to act at all. The next illness may respond best to another drug or different dosage!

Unidentified medicinal preparations are always a danger to those who use them, and to children who play doctor-patient after raiding the medicine chest. Old prescription bottles and old medicines are seldom of value . . . and always a menace. For the health and safety of your family, discard useless, dangerous left-over drugs.
